Long Term Care Nursing Peggy A. Grubbs, Barbara A. Blasband, 1995 *Mosby's Textbook for Long-Term Care Nursing Assistants* Clare Kostelnick, 2019-03 With its highly visual format topical information and easy to follow guidance Mosby's Textbook for Long Term Care Nursing Assistants 8th Edition is the perfect resource to help you master the ins and outs of long term care One hundred step by step procedures all written at the sixth grade reading level provide clear instructions for completing skills Helpful spotlight boxes and realistic patient scenarios reinforce the nursing assistant's roles and responsibilities that are

needed in today's long-term care settings. New features in this edition include an all-new chapter on culture and religion, a new chapter on career management and getting hired, new procedures and updated content on topical issues like confusion and dementia, hypertension, American Heart Association CPR, cancer, and more. As with previous editions, the focus on OBRA content and patient quality of life will underscore competent and respectful care. 6th-grade reading level and concise coverage helps readers of all levels and abilities, particularly ESL individuals, easily understand and master important long-term care concepts and procedures. 100 step-by-step procedures are divided into pre-procedure, procedure, and post-procedure sections for easier learning. Residents with Dementia boxes cover the special needs of older persons with Alzheimer's disease and other dementias. Promoting Safety and Comfort boxes emphasize the need to provide safe care while making a patient more comfortable. Delegation Guidelines boxes describe what information the nursing assistant needs from the nurse and the care plan to perform safe care, as well as what information to report and record. Quality of Life boxes reinforce the importance of patients' rights and enhancing their quality of life when giving care. Teamwork and Time Management boxes illustrate ways to work efficiently within the health care team. Time to Reflect scenarios present realistic patient situations faced by nursing assistants to build critical thinking skills. Focus on Rehabilitation boxes clarify considerations and insights about rehabilitation and restorative care. Focus on Communication boxes provide guidelines for how to clearly communicate with patients and avoid comments that might make them uncomfortable. NATCEP certification exam icons identify the skills tested on the National Nurse Aide Assessment Program and state certification exams. Review questions at the end of each chapter help evaluate learning. Key abbreviations at the beginning of each chapter highlight commonly used abbreviations. NEW Culture and Religion chapter covers the wide range of patients in need of long-term care and the role that a patient's religion and culture play in their care. NEW Getting a Job chapter provides guidance on career management, starting with how to obtain work after finishing schooling. NEW Procedures cover how to apply an incontinence brief and how to care for hearing aid and cochlear implant devices. NEW Updated content reflects the latest research and care standards in the areas of confusion and dementia, pressure injuries, hypertension, American Heart Association CPR, cancer, immune system dysfunction, and skin disorders. NEW Multiple choice format for all review questions also includes math calculation questions to help streamline learning.
