The Englishman's Greek Concordance of the New Testament; being an attempt at a verbal connexion between the Greek and the English texts, etc. [By George V. Wigram, assisted by William Burgh.] L.P. ,1839 A

Concordance of the Qur'an Hanna E. Kassis,2023-11-03 From the Foreword This Concordance of the Qur'an in English satisfies a paramount need of those and there are millions of them who have no command of the Arabic language and yet desire to understand the Qur'an The benefit derivable from English translations of the Sacred Book is in principle limited because first the Qur'an is not a book but a collection of passages revealed to Muhammad over a period of about twenty three years and second because the Qur'an is not really translatable This does not mean that the Qur'an should not be translated It does mean that translations lose much in tone and nuance let alone the incommunicable beauty grandeur and grace of the original The main distinction of Hana Kassis's concordance in my view is that it utilizes the semantic structure of Arabic vocabulary itself in revealing the meaning of the Qur'an on any given issue point or concept A reader who looks in the index of this concordance for a word which he has encountered in reading an English translation of the Qur'an the word pride for example is directed immediately to the roots of the Arabic Qur'anic terms for pride At the entries for these Arabic roots all the derivative forms are shown and the verses of the Qur'an in which they appear are there listed in translation I am confident that any person who is sincerely interested in understanding the Qur'an and appreciating the nuances of its diction and shades of its meaning can satisfy his need more fully with this book than in any way short of developing a real command over the Arabic language itself Fazlur Rahman Professor of Islamic Thought University of Chicago From the Foreword This Concordance of the Qur'an in English satisfies a paramount need of those and there are millions of them who have no command of the Arabic language and yet desire to understand the Qur'an The benefit derivab [Tafsir Ibn Kathir Juz' 1 \(Part 1\)](#) Muhammad Saed Abdul-Rahman,2013-01-07 This is Tafsir Ibn Kathir Part 1 Of 30 This Part of the Qur'an covers Chapter 1 Al Fatiha 001 to Chapter 2 Al Baqarah 141 The 30 Parts of this publication gather in one place all relevant information needed to make the Qur'an more understandable and easier to study This publication provides the following 1 The Arabic Text for those who are able to read the Arabic language 2 An audio recording of this part of the Qur'an in Arabic and English 3 Transliteration of the Arabic text for those who are unable to read the Arabic script This will give them a sample of the sound of the original Arabic Qur'an which they could not otherwise comprehend from reading the English meaning only 4 The meaning of the Qur'an in English translated by Dr Muhammad Taqi ud Din Al Hilali Ph D and Dr Muhammad Muhsin Khan 5 abridged Tafsir Explanation by Ibn Kathir translated under the supervision of Safi ur Rahman al Mubarakpuri We hope that by doing this an ordinary English speaker will be able to pick up a copy of this book and study and comprehend The Glorious Qur'an in a way that is acceptable to the understanding of the Rightly guided Muslim Ummah Community Keywords Tafsir Part 1 translate in arabic quran learning online learn quran arabic al quran tafsir al quran al
