Belleville Friendly City:

City of Belleville Belleville (Ont.),1947 **The View from Murney Tower** Richard Allen,2008-01-01 Salem Goldworth Bland 1859 1950 was among the most significant religious leaders in Canadian history A Methodist and later United Church minister Bland s long career and widespread influence made him a leading figure in the popularizing of liberal theology social reform and the Social Gospel movement He was also a man who struggled with the polarities of evangelical faith and worldly culture and who sought a unifying world view in the mentoring of Sir J William Dawson in the sciences George Monro Grant in public affairs and John Watson in philosophy *The View from the Murney Tower* is a two volume biography of Salem Bland by Richard Allen author of *The Social Passion Religion and Reform in Canada* 1914 28 This first volume begins with Bland s upbringing in the home of an educated industrialist turned preacher It goes on to explore his emergence as a liberating mind and eloquent speaker prepared to support new currents of scientific and social thought as well as to discuss their implications for Christian faith and life Allen concludes this first volume with Bland s departure from central Canada for the west in 1903 by which time he had become a somewhat controversial figure amongst conservative evangelicals throughout the country More than just biography however *The View from the Murney Tower* is also an examination of progressive religion in late Victorian Canada a time in which Darwinism and other Biblical social and intellectual controversies were profoundly affecting the growth of a young nation *The Court of Queen's Bench of Manitoba, 1870-1950* Dale Brawn,2006-12-15 This study of the Manitoba judiciary is not only the first biographical history to examine an entire provincial bench it is also one of the first studies to offer an internal view of the political nature of the judicial appointment process Dale Brawn has penned the biographies of the first thirty three men appointed to Manitoba s Court of Queen s Bench The relative youth of Manitoba as a province and the small size of its legal profession makes possible an exceptionally detailed investigation of the background of those appointed to the province s highest trial court The biographical data that Brawn has collected for this book highlights the extent to which judicial candidates underwent a socialization process designed to produce a legal elite whose members shared remarkably similar views and ways of thinking In addition these biographies suggest that until at least 1950 seats on provincial benches were rewards for political services rendered Many lawyers became judges not because of their legal ability but because they had made themselves known in the communities in which they practiced This fascinating study offers an intimate look at personalities ranging from prime ministers to members of the bench and both senior levels of government **Town Development** ,1912 **In Review** ,1978
