Beloved Disciples:

The Beloved Disciple Beth Moore, 2003-08-01 John the apostle must have thought he had seen everything Having been with Jesus all the years of his ministry John witnessed more miracles than he could count saw more displays of power than he could comprehend and experienced more love than he could fathom And one unforgettable morning young John outran Peter to his Savior's empty tomb Just as Christ took John on a lifelong journey into the depths of His love He will do the same for you The bridegroom's love is unmatched and inexhaustible and He is waiting to lavish it on you His beloved The Beloved Disciple James H. Charlesworth, 1995 The Gospel of John refers five times to the disciple whom Jesus loved From the second through the present century scholars have sought to identify this disciple traditionally concluding that he is the author of the Gospel and is indeed none other than John the son of Zebedee In recent phases of research however the identification of the Beloved Disciple with John the son of Zebedee has been exposed as weak and unpersuasive Yet according to James Charlesworth even this new research is problematic in that it tends to ascribe priority in discerning the meaning of the Gospel of John to documents other than the Gospel itself Moreover this research tends to impute historical accuracy to documents that were not primarily intended to present histories Based on extensive research then Professor Charlesworth has concluded that the primary texts in the Gospel of John and the reflections of modern scholars indicate that any identification of the Beloved Disciple whether with one of the disciples specified in the Gospel with one who is anonymous in this Gospel or with some symbolic theme must provide credible answers to eight questions BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved The Legacy of John Tuomas Rasimus, 2010 This volume investigates the early second century reception of the Fourth Gospel This is an era when its fortunes are surrounded by silence and mystery It was assumed until quite recently that Gnostic and other so called heterodox groups were the first ones to appreciate this gospel and hence the mainstream Christians avoided using it until Irenaeus rescued it for the church Lately this view has been challenged by several scholars for several reasons The contributions in this volume written by leading specialists in their respective fields offer an approachable fresh comprehensive and up to date view of the second century reception of John's Gospel in a situation where new understandings about various forms of early Christianity and its multiformity have started to emerge Beloved Disciples Kathleen Gruseck, 2018-10-22 Who are you We are continually challenged with that question How would you answer What word or phrase would you say defines who you are I would like to propose an answer that may surprise or even challenge you St John probably would have called himself a fisherman It took him 3 years of 24/7 spent with Jesus to consider himself a disciple of Jesus and then 75 more years to discover that he truly was a beloved child of God as well as disciple We cannot be holy without being disciples and we cannot be disciples unless and until we believe that we are beloved God created us in His image and likeness to be holy as He is holy which is simply being who God created us to be To do that we must follow Christ that is become His disciples It is not possible to walk with

Jesus do as He does live as He lives and love as He loves without knowing how very much we are loved We can do nothing on our own Only secure in God s love can we have the courage to trust in His promise to be with us as we journey to holiness and the heavenly kingdom Our identity must always be based on our relationship with Christ It is the core of who we are Life is not about finding ourselves We are not lost It is about discovering who God created us to be We are all beloved of God and if we allow Him control of our lives He can love each one of us into being that beloved disciple that John describes in his Gospel

The Community of the Beloved Disciple Raymond Edward Brown,1979 This study in Johannine ecclesiology reconstructs the history of one Christian community in the first century a community whose life from its inception to its last hour is reflected in the Gospel and Epistles of John It was a community that struggled with the world with the Jews and with other Christians Eventually the struggle spread even to its own ranks It was in short a community not unlike the Church of today This book offers a different view of the traditional Johannine eagle In the Gospel the eagle soars above the earth but with talons bared for the fray In the Epistles we discover the eaglets tearing at each other for possession of the nest

Back cover Carlo's Simple Wisdom Carlo Acutis,Giorgio Maria Carbone,2025-09-05 The newly canonized Carlo Acutis has become one of the most well known figures of holiness in modern times Since his death in 2006 at the age of 15 people across the world have been captivated by Carlo s life and personality and sought his intercession His youthful zeal and devotion to the Eucharist are well documented and many people in his life attest to his personal holiness and fearlessness in talking about his faith and love for Jesus For the first time Carlo s simple and insightful words have been collected into one book Carlo s Simple Wisdom demonstrates that it is possible even today to live in harmony with the will of God Carlo s life was a race fast and brief He has reached the goal he longed for and he wants nothing more for us than to join him in heaven Carlo said Everyone is born as an original but many people end up dying as photocopies Unique unrepeatable and loved in a singular way by God each of us is one of a kind We risk becoming photocopies when we depart from the path Jesus has laid out for us The truth that Carlo recalled God is always with us is of utmost importance We must become intimate friends of Christ Carlo has given us many words of hope to hold onto as we aspire to pursue holiness as he did

Is John's Gospel True? Maurice Casey,1996 This study demonstrates that the Gospel attributed to John gives an inaccurate account of the life and teaching of Jesus It shows that this Gospel was finished during a fierce conflict between the Johannine community and the Jewish community During this conflict the Johannine community hailed Jesus as God and declared that the Jews were children of the devil They attributed their beliefs to Jesus and portrayed him as quarrelling with the Jews as they did Consequently this document is fiercely anti Jewish and has been used to fuel anti semitism reasons for the author to challenge the fitness of John s Gospel to be in anyone s sacred scriptures
