children Wa Shana no longer had any of that She only had the reputation of humming strange songs to herself when she worked which only intensified the tribe s belief that she was possessed by an evil spirit Amelia D Smith 6002 Cayce Lane Columbia TN 38401 931 626 2856 dalesmith105 gmail com

In Praise of Forgiveness Massimo Recalcati,2020-05-19 Relationships fall apart marriages fail couples break up it happens to us all Time corrodes passion and the routines of daily life kill the excitement that surrounds the emotion of the first encounter The difficulty of uniting sexual pleasure with love which Freud considered to be the most common neurosis in any love life has become emblematic of a truth that seems undeniable desire is destined to die if its object is not constantly renewed if we do not change partner if it is closed for too long in the restrictive chamber of the same bond And yet what happens to these bonds when one of the two partners betrays the other when the promise fails when there is another emotional experience cloaked in secrecy and deceit What happens if the traitor then begs forgiveness Are they asking to be loved again and having declared that it is not like it used to be now want everything to go back to how it was Should we make fun of lovers in their attempts to make love last Or should we try to face up to the experience of betrayal with the offence caused by the person we love most Should we not perhaps attempt to praise forgiveness in love
