Beneath The Cross:

Prophetic Mysticism of John of the Cross (Collected Works) John of the Cross, 2023-11-23 In *Prophetic Mysticism of John of the Cross Collected Works* the author delves into the profound spiritual insights and poetic brilliance of one of the foremost mystics of the Catholic tradition. This compilation reveals John of the Cross's intricate exploration of the soul's journey toward divine union through the lens of his distinct literary style, characterized by rich metaphor and lyrical intensity. The book situates itself within the context of 16th-century Spanish mysticism, capturing the tensions and transformations of a period marked by religious reform and spiritual renewal. John of the Cross, a Carmelite friar and theologian, devoted his life to the pursuit of mystical spirituality, which is deeply reflected in the collected works presented here. His own experiences of intense suffering, contemplation, and divine illumination served as a crucible for the eloquent and intricate works included. The socio-religious landscape of the Counter Reformation played a crucial role in shaping his thoughts, pushing him to articulate a unique theological understanding that marries profound spirituality with poetic expression. I highly recommend this collection to anyone seeking a deep and enriching engagement with the subtleties of mysticism and spiritual poetry. Readers will find themselves invited into a transformative reflection on the nature of divine love, suffering, and the soul's ascent, making this work essential for both students of theology and aficionados of spiritual literature. *Light from the Cross. Sermons on the Passion of Our Lord. Translated from the German ...* Friedrich August Gottgetreu Tholuck, 1869

What Happened on the Cross Nick Peros, 2020-08-07 *What Happened on the Cross* offers a new and biblical understanding of how salvation was accomplished upon the cross, showing that the Penal Substitution view, common since the 1500s, does not have a biblical basis and also showing that the Christus Victor understanding is inadequate. The book is founded upon the understanding that Jesus Christ is the Second Adam and that is the foundation of how we are to understand how salvation was accomplished. Both the shedding of blood and death were essential in the accomplishment of salvation, and *What Happened on the Cross* shows why these were essential. Using over 740 Scripture verses to make its argument, the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation, above all showing clearly that the cross had nothing to do with punishment for sins; our sins were never punished upon the cross; rather, our sins were forgiven. Understanding how salvation was accomplished upon the cross and that it was about forgiveness, not punishment, both exalts God and his greatness, demonstrates his perfect love and justice, as well as liberates our hearts towards him. **Light from the Cross** August Tholuck, 1869 *The Canadian Patent Office Record and Register of Copyrights and Trade Marks*, 1904 [Nordberg Manufacturing Company V.
