## **Benjamin Peret:**

**Manifestation of Benjamin Péret** Benjamin Peret, 1978 *Benjamin Peret Benjamin Péret, Death to the Pigs, and Other Writings* Benjamin Péret, 1988 One of the founders of surrealism Benjamin Peret lived a life resistant to any aesthetic or political compromise Though he was the writer most admired within the surrealist group itself very little of his work has been previously translated This the first authorized collection will assemble his finest work his novel *Death to Pigs* and to the *Field of Glory* poems polemical and critical writings and unclassifiable works like *Natural History* and *The Round the World Calendar of Tolerable Inventions* This volume will also include the first detailed biography of Peret to appear in English based on sources only recently brought to light Octavio Paz has described Peret's writings as among the most original and most savage of our era Breton wrote Humor here gushes from its source At last the source is available in English *The Custom-House of Desire* J. H. Matthews, 1975 Forty seven short narratives by 24 surrealist writers **Surrealism and Ecology** Anne Marie Butler, Donna Roberts, Iveta Slavkova, 2026-01-06 *Surrealism and Ecology* is the first volume to consider the intersections of these two fields It addresses the contribution of the avant gardes in thinking about the relationship of humans with their environment in the context of massive environmental upheaval in the twentieth century This volume explores the significant role of Surrealist artists and writers within the history of critical thinking about nature and environment over the last hundred years It approaches ecology both as a mode of thinking about the many interconnections of life and as a way of experiencing and knowing the world The relationship of humans with their environment is of paramount significance within contemporary discourse and the contribution of the historical avant gardes to this topic remains largely underexplored In addressing this gap the book presents a diverse selection of analyses of the ways in which the Surrealists have thought about and represented nature and the human place within it It emphasises how Surrealism's interventions in connecting seemingly distinct domains of thought and phenomena can be understood as relevant to more recent developments in the practice of ecological thought Surrealist practices and the academic field of Surrealism studies are broad in scope and include not only visual art but also poetry and literature film philosophy exhibition design and experimental practice This volume includes contributions from established and developing scholars working across disciplines and locations who address such varied practices and engage with analyses from multiple perspectives The international and trans Atlantic history of Surrealism is well represented in this book with over half the texts exploring the work of European Surrealists in exile during the Second World War or the art and environmental and political activism of Surrealists in the Caribbean and throughout the Americas *Surrealism in Latin America* Dawn Ades, Rita Eder, Graciela Speranza, 2012-10-16 This collection of essays the first major account of surrealism in Latin America that covers both literary and visual production explores the role the movement played in the construction and recuperation of cultural identities and the ways artists and writers contested embraced and adapted surrealist ideas and practices *Surrealism in Latin America*

provides new Latin American centric scholarship not only about surrealism's impact on the region but also about the region's impact on surrealism. It reconsiders the relation between art and anthropology, casts new light on the aesthetics of primitivism, and makes a strong case for Latin American artists and writers as the inheritors of a movement that effectively went underground after World War II. In so doing, it expands our understanding of important, fascinating figures who are less well known than their counterparts active in Europe and New York. Deriving from a conference held at the Getty Research Institute, the book is rich in new materials drawn from the GRI's diverse Mexican and South American surrealist collections, which include the archives of Vicente Huidobro, Enrique Gómez Correa, César Moro, Enrique Lihn, and Emilio Westphalen.

**Investigating Sex** José Pierre, 2014-04-03. Are women's orgasms more intense than men's? What did André Breton think of homosexuality? Can love be separated from physical desire? In 1928, a group of surrealist writers and artists held twelve round table discussions to address these questions. Calling them researches into sexuality, their bizarre and humorous conversations are now made available in this new edition in all their surreal and salacious detail. Their research spanned the most critical period for surrealism, a time of bitter political disputes, echoed in the intensity of these meetings and in the range of participants, including André Breton, Paul Eluard, Yves Tanguy, Benjamin Péret, and Pierre Naville. Well before the so-called sexual revolution, their erotic exchanges broke sexual taboos and encouraged surrealists to openly share the libidinal themes they explored in their writing and art. In doing so, JoAnn Wypijewski writes in the new introduction, they are revealed as lovers and prigs, fantasists and humanists, adventurers in mind if not always in flesh, flawed, foolish, brilliant, clangingly sexual human beings.

**A Marvelous World** Benjamin Péret, 1985. Benjamin Péret was a Surrealist. Surrealist Elizabeth Jackson tells us in her introduction to *A Marvelous World*, the first book to present an extensive and representative selection of Péret's poems in English.

**Investigating Sex** José Pierre, 2012-01-16. Are women's orgasms more intense than men's? What did André Breton think of homosexuality? Can love be separated from physical desire? In 1928, a group of surrealist writers and artists held twelve round table discussions to address these questions. Calling them researches into sexuality, their bizarre and humorous conversations are now made available in this new edition in all their surreal and salacious detail. Their research spanned the most critical period for surrealism, a time of bitter political disputes, echoed in the intensity of these meetings and in the range of participants, including André Breton, Paul Eluard, Yves Tanguy, Benjamin Péret, and Pierre Naville. Well before the so-called sexual revolution, their erotic exchanges broke sexual taboos and encouraged surrealists to openly share the libidinal themes they explored in their writing and art. In doing so, JoAnn Wypijewski writes in the new introduction, they are revealed as lovers and prigs, fantasists and humanists, adventurers in mind if not always in flesh, flawed, foolish, brilliant, clangingly sexual human beings.

**Modernity in Black and White** Rafael Cardoso, 2021-04-15. *Modernity in Black and White* provides a groundbreaking account of modern art and modernism in Brazil. Departing from previous accounts, mostly restricted to the elite arenas of literature, fine art, and architecture, the book situates cultural debates within the wider

currents of Brazilian life From the rise of the first favelas in the 1890s and 1900s to the creation of samba and modern carnival over the 1910s and 1920s and tracking the expansion of mass media and graphic design into the 1930s and 1940s it foregrounds aspects of urban popular culture that have been systematically overlooked Against this backdrop Cardoso provides a radical re reading of Antropofagia and other modernist currents locating them within a broader field of cultural modernization Combining extensive research with close readings of a range of visual cultural production the volume brings to light a vast archive of art and images all but unknown outside Brazil

**The Poetry of Change** Julia F. Costich, 1979 This is the first English language comprehensive edition of Péret's work The collection is organized thematically around movement and change and includes a wide array of Péret's genres including poetry essay and narrative

**Introduction to Benjamin Péret**, 1979 *Benjamin Péret* Jean-Michel Goutier, 1982 Catalog of the Library of the Museum of Modern Art: Pat Museum of Modern Art (New York, N.Y.). Library, 1976 Benjamin Péret Jean-Louis Bédouin, 1961 **Transition**, 1927 **Art News Annual**, 1952 **Vanity Fair**, 1922 **From the Hidden Storehouse** Benjamin Péret, 1981 Luis Bunuel called Péret the quintessential surrealist poet Benjamin Peret is a poet like no other One of the original group of Surrealists he seceded from Dada in 1924 and remained faithful to Surrealist principles until his death in 1959 His irreverence and incandescent imagination remain fresh and funny and they are perfectly captured in this inspired idomatic translation

Index of American Periodical Verse, 2004

## **Benjamin Peret** Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Benjamin Peret**," written by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
