Collected Poems Revised And Augmented:

Collected Poems Martin Lings, 2001-12 In his first book on Sufism written many years ago Martin Lings wrote with reference to the Quranic descriptions of the celestial Gardens To speak of the Gardens and Fountains of Paradise as also of its Rivers Fruits and Consorts is to speak the Truth whereas to speak of such blessings in this world is only a manner of speaking for the Realities are in Heaven and what we see here below are only the remote shadows of Reality He adds The shadow returns to the Substance and for those with eyes to see the best things of this world and that is the criterion of their excellence are already as it were winged for return to their celestial Source It is the function of art in portraying earthly objects to portray mysteriously at the same time something of their wings We take this as the author's avowal of an intention which lies behind his poems three of which are published here for the first time

New Collected Poems Marianne Moore, 2017-06-20 A landmark definitive edition of one of our most innovative and beloved poets The landmark oeuvre of Marianne Moore one of the major inventors of poetic modernism has had no straight path from beginning to end until now there has been no good vantage point from which to see the body of her remarkable work as a whole Throughout her life Moore arranged and rearranged visited and revisited a large majority of her existing poetry always adding new work interspersed among revised poems This makes sorting out the complex textual history that she left behind a pressing task if we mean to represent her work as a poet in a way that gives us a complete picture New Collected Poems offers an answer to the question of how to represent the work of a poet so skillful and singular giving a portrait of the range of her voice and of the modernist culture she helped create William Carlos Williams remarking on the impeccable precision of Moore's poems praised the aesthetic pleasure engendered when pure craftsmanship joins hard surfaces skillfully It is only in New Collected Poems that we can understand her later achievements see how she refashioned her earlier work and get a more complete understanding of her consummate craftsmanship innovation and attention to detail Presented and collected by Heather Cass White the foremost scholar of Moore's work this new collection at last allows readers to experience the untamed force of these dazzling poems as the author first envisioned them

The Atlantic Monthly, 1907 [Catalogue of a Splendid Collection of English Literature](#) Marshall Clifford Lefferts, 1902 [Selected Poems](#) John Dryden, 2002-03-26 A new and comprehensive selection of Dryden's poetry revealing him as a master of theatricality ventriloquism and unmistakable originality In his lifetime John Dryden gained fame at the cost first of gossip and scandal and then of suspicion and scorn He wrote to order currying favor with the Crown and repeatedly savaging its enemies Yet the finest works of his political and spiritual imagination Absalom and Achitophel and The Hind and the Panther develop the themes of envy ambition and misdeed in ways that far transcend their era During the Glorious Revolution Dryden fell from patronage and favor he then transformed himself into perhaps the greatest of English translators a superb interpreter of Virgil and Horace Juvenal and Persius Boccaccio and Chaucer This edition contains a preface and annotations accompanying each poem modernized
