## **Collected Poems Of Ted Berrigan:**

The Collected Poems of Ted Berrigan Ted Berrigan, 2007-03-21 Comfortably intimate classically adroit in its formal wit and invention altogether unique yet in no way excluding this meticulously edited edition of a master poet's collected works gives us the defining bridge from the New American Poetry of the 50s to that poetry now contemporary on both coasts and in all conditions No one ever recognized the people with whom he lived more particularly than did Ted Berrigan and no one ever brought them home to a reader with such unaggressive and persistent power This is a great great book for all seasons of the mind and heart Robert Creeley Ted Berrigan was a leader of the New York School his crazy energy embodied that movement and the city itself It is wonderful to have his Collected Poems in print John Ashbery A comprehensive and carefully chronicled volume that puts Ted Berrigan in historical context as one of the most influential poets of his generation His poems deft light definitely humorous irreverent poignant marvelous and tough The truth doing its work the great man doing the ordinary thing with a quick ear and a quick tongue revealing the personal in the universal He gives you his full attention about to be born again thinking of you Joanne Kyger In a life devoted to experimental art Ted Berrigan shaped his poetry and the space he occupied with a bold artistry based on his playful but powerfully skeptical view of the world He wondered what might actually be captured within the pages of a book but *The Collected Poems* allows us to again enjoy Ted Berrigan's delightfully demanding presence Lorenzo Thomas A singular balance of personal historical vision and sentiment both sweet and sour developed within the fractured verbalism of the late twentieth century found lyric creates in Ted Berrigan's poems the unique colors of a particularly lived and still intensely living ensemble of moments Tom Clark author of *Late Returns* A Memoir of Ted Berrigan Some people are just more real than others I don't know another way to say it Ted Berrigan is totally real and he has fashioned an important sound for all of us to listen to He put it all together just before everyone else in his time our time got going America is lucky to count him as one of its great poets Peter Gizzi *The Collected Poems of Ted Berrigan* Ted Berrigan, 2005 This landmark collection brings Ted Berrigan's published and unpublished poetry together in a single authoritative volume for the first time Edited by the poet Alice Notley Berrigan's second wife and their two sons *The Collected Poems* demonstrates the remarkable range power and importance of Berrigan's work *The Selected Poems of Ted Berrigan* Ted Berrigan, 2011-02-07 Following the highly acclaimed *Collected Poems of Ted Berrigan* poets Alice Notley Anselm Berrigan and Edmund Berrigan have collaborated again on this new selection of poems by one of the most influential and admired poets of his generation Reflecting a new editorial approach this volume demonstrates the breadth of Ted Berrigan's poetic accomplishments by presenting his most celebrated interesting and important work This major second wave New York School poet is often identified with his early poems especially *The Sonnets* but this selection encompasses his full poetic output including the later sequences *Easter Monday* and *A Certain Slant of Sunlight* as well as many of his uncollected poems *The Selected Poems of Ted Berrigan* provides a new perspective for those already familiar with his

remarkable wit and invention and introduces new readers to what John Ashbery called the crazy energy of this iconoclastic funny brilliant and highly innovative writer Praise for The Collected Poems of Ted Berrigan This is a great great book for all seasons of the mind and heart Robert Creeley Thanks to this invaluable Collected Poems one can hear as never before Ted Berrigan dreaming his dream The Nation The Collected Poems of Ted Berrigan is not only one of the most strikingly attractive books recently published but is also a major work of 20th century poetry It is a book that will darken with the grease of my hands There is no better way to praise it than by saying If you enjoy poetry you should have it Bloomsbury Review It s a must have a poetic knockout Time Out New York **So Going Around Cities** Ted Berrigan,1980 A new edition of this major collection of the poetry of Ted Berrigan long unavailable More Gone Edmund Berrigan,2019 From New York School scion and memoirist a new book of poems considering domesticity in the heart of the city *Selected Poems* Ted Berrigan,1994 **Affect, Psychoanalysis, and American Poetry** John Steen,2018-07-12 Poetry has often been defined by its closure its condensation of meaning and value into discrete self referential textual objects Affect Psychoanalysis and American Poetry challenges the dominant metaphor of poetic containers by turning to recent poetic texts that represent the contagious and uncontainable feelings of anxiety grief shame and rage From modernists Wallace Stevens to mid century poets Randall Jarrell Robert Creeley and Ted Berrigan and finally to contemporary practitioners Aaron Kunin and Claudia Rankine John Steen argues that new poetic techniques arise from the poetic productivity of negative affects and that a new model of poetic value can be found in poems that are instead of containers permeable social spaces of intimacy attachment and withdrawal Drawing from object relations psychoanalysis queer theory and affect theory Affect Psychoanalysis and American Poetry finds poetry s singularity in its unique capacity to represent anew the transmissible relational and uncontainable valences of feeling that structure and destabilize social life **Come in Alone** Anselm Berrigan,2016 New York poet Anselm Berrigan s rectangular poems frame the page space with swift language that transforms in each infinite iteration Don't Forget to Love Me Anselm Berrigan,2024 In his latest collection Don t Forget to Love Me Anselm Berrigan is at his most intimate allowing us to tag along through the immediate histories of present moments in poems that were primarily written at the height of the pandemic In reading these poems we are permitted to witness their creation as Berrigan pivots between semiotic slippage and shrewd assertions letting the form of each poem take shape as it will a surprise of sound and sight In one poem he writes that poetry contains multiple unresolvable questions A T T H E SLAME TLIME and later reminds us there are no accidents in poetry either With the same acerbic wit found in Berrigan s previous work Don t Forget to Love Me is an apogee of politics pathos and poetics **Free Cell** Anselm Berrigan,2009-08-27 The second volume in the City Lights Spotlight series experimental poems by innovative New York poet and former St Mark s Poetry Project director *Primitive State* Anselm Berrigan,2015 Poetry PRIMITIVE STATE is a book length tour de force from one of contemporary poetry s strongest search lights Composed as an homage to the list poem as a
