a plundering early poacher turned gamekeeper who sought to establish a moral and legal order amidst slaughter and greed Clive today lies buried in an unknown grave in an obscure corner of rural Shropshire a reflection of the controversy he aroused in his lifetime and that still surrounds his legacy and the manner of his death In this lively and revealing study Robert Harvey illuminates Clive's life's journey from the green fields surrounding Market Drayton through his adventures in India his drive to success and self destruction to his vicious and premature death by suicide or murder Art Prices Current, 1928 *United States Official Postal Guide ...* United States.
