Catching Leaves:

Healthy, Active and Outside! Janice Filer, 2008-01-17 It is widely acknowledged that kids today do not get outdoors often enough and there are serious concerns about children's activity levels and rising associated behavioural mental and health problems This book supports outdoors play as an important part of children's natural growth and development and provides early years workers with a full programme of outdoor physical activities to promote physical social and behavioural skills

Pickles Raymond Mendoza, 2012-03-13 The most deadly of enemies are often those we cannot see The greatest battles are not the ones written on the scrolls of history but plague the battlefields of our hearts We all encounter grief pain and loss Sadly many do not survive their struggle In author Raymond Mendozas *Pickles* Michael Harvey is lost in a stormy sea of hopelessness He is trying to find himself again after his wife and their unborn child are killed by a drunk driver Grief holds him captive as he tries to continue maintaining his art gallery with his father after the devastating loss However as Michael begins to realize there are things that are solely constructed by His hand As Michael struggles with the unseen battle signs begin to appear through a newly discovered journal While it seems like there is no hope for a man who is like a lost ship at sea the glow from the lighthouse seemingly guides him back to the shores of loving again And sometimes it comes from unexpected sources like a dog named Pickles *Pickles* is an emotional journey that portrays the power of true love as it is lost and then found once more No matter how bad things may seem through Gods power and love one can be restored
