Forthcoming Books Rose Army,1995 **Fine Woodworking** ,1995 *A Restless Past* Joyce Appleby,2007-11-28 At a time when public commemorations and remembrances often develop into battlefields of contested meanings historians play an even greater role in shaping the way the American public sees and understands its past Distinguished historian Joyce Appleby has been at the forefront of many of the recent debates about historians and the public s history In this engaging work she brings together her most important reflections on the historian s craft and its importance A Restless Past carefully examines the ways in which the dynamic events of the second half of the twentieth century have significantly altered the way historians approach the past and highlights the incredible power they hold in shaping a national identity Through the considerable ideological shifts of the last half century historians have responded by asking new questions about those who preceded us and created powerful identities for those who had been long ignored **The Story Of Naxos** Nicolas Soames,2012-05-03 In 1987 a budget classical record label was started in Hong Kong by Klaus Heymann a German businessman who loved classical music Swiftly it gained a world wide reputation for reliable new digital recordings of the classics at a remarkably low price Despite opposition from the classical record establishment it grew at a remarkable pace and soon expanded into opera early music contemporary music and specialist repertoire so that it became appreciated by specialist collectors as well as the general music lover It is now the leading provider of classical music and as an innovator in digital delivery At the heart of Naxos is one man Klaus Heymann The combination of his broad knowledge of classical music and his acute business acumen has enabled him to build the most varied classical music label in the world but also the most effective distribution network to ensure that his recordings are available everywhere This fascinating story explains how it happened how a one time tennis coach in Frankfurt became a classical recording mogul in Hong Kong and how at the age of 75 he still holds the reins as firmly as ever **America** ,1911 The Jesuit review of faith and culture Nov 13 2017
