The American Architect, 1919

After the Flight 93 Election Michael Anton, 2019-02-05 In September 2016 the provocative essay The Flight 93 Election galvanized many voters by spotlighting the stakes ahead in November and reproaching complacent elements of the Right It also drew disparagement from many who judged it too apocalyptic in its assessment of the options facing the electorate Its author Michael Anton writing as Publius Decius Mus addressed the main criticisms of his argument soon afterward in a Restatement on Flight 93 A new criticism emerged later on that he had painted a dire scenario to be averted but no positive vision Here Anton presents the positive ideal that inspired him a distillation of his thinking on Americanism and the West refined over decades He lays out the foundational principles of the American and Western traditions examines the biggest threats to their survival and underscores the necessity of continuing to defend them

Serious International Crimes, Human Rights, and Forced Migration James C. Simeon, 2022-02-10 This volume elucidates and explores the interrelationships and direct causal connection between serious international crimes serious breaches to fundamental human rights and gross affronts to human

dignity that lead to mass forced migration Forced migration most often occurs in the context of protracted armed conflict of a noninternational nature where terrorism fierce fighting deep animosity tit for tat retaliation and rapid dominance doctrine all lead to the commission of atrocity crimes Accordingly this volume makes a valuable contribution to the literature and to the cause of trying to resolve mass forced displacement at its root cause to explore the course that it takes and how it might be prevented The collection comprises original research by leading legal scholars and jurists focusing on the three central themes of serious international crimes human rights and forced migration The work also includes a Foreword from Sir Howard Morrison QC former President of the Appeals Division of the International Criminal Court The book will be a valuable resource for students academics researchers and policymakers working in the areas of international law migration human rights and international criminal law
