Americas Past And Promise Beginnings Through Reconstruction:

America's Past and Promise McDougal Littell Incorporated, 1998-01-01

The History of North America: The Reconstruction period, by P.J. Hamilton Guy Carleton Lee, Francis Newton Thorpe, 1905 *Aspects of American History* Simon Henderson, 2009-01-26 *Aspects of American History* examines major themes personalities and issues across American history using topic focused essays Each chapter focuses on key events and time periods within a broad framework looking at liberty and equality the role of government and national identity The volume engages with its central themes through a broad ranging examination of aspects of the American past including discussions of political history foreign policy presidential leadership and the construction of national memory In each essay Simon Henderson introduces fresh angles to traditional topics consolidates recent research in themed essays analyzes views of different historians offers an interpretive rather than narrative approach gives concise treatment to complex issues Including an introduction which places key themes in context this book enables readers to make comparisons and trace major thematic developments across American history

Talking American History Ron Briley, 2020-07-02 Offering an alternative to encyclopedic textbooks that confirm Henry Ford's complaint that the study of history is just one damned thing after another it provides an informal and conversational narrative history of the American experience from the Colonial period to the present day Above all history is a story and the story of America is a complicated and contested tale Rather than simply the exceptionalism of a shining city upon a hill the American saga includes a dark stain of prejudice and nativism still present within the national fabric Beginning with the assault upon Native lands and culture along with the introduction of racial slavery patterns of exploitation and greed fostering gender racial and class inequality are an essential part of America's story Themes of prejudice and inequality however are offset by the promise of social justice and an egalitarian America outlined by Thomas Jefferson's Declaration of Independence Elizabeth Cady Stanton's Seneca Falls Declaration of Principles Abraham Lincoln's Gettysburg Address Franklin D Roosevelt's The Four Freedoms and Martin Luther King Jr's I Have a Dream oratory While considering topics such as Presidential leadership *Talking American History* emphasizes the efforts of American reformers dreamers freedom fighters dissenters radicals and workers to move the nation toward the democratic promise laid out in its founding documents The framework is a traditional political history narrative told from a progressive perspective This is an interpretation with which not all readers will agree but the intention is to facilitate dialogue and debate that are imperative for the survival of American democracy
