En el corazón tenía
la espina de una pasión.
Logré arrancármela un día,
ya no siento el corazón.

Aguda espina dorada
quién te pudiera sentir
en el corazón clavada.

Antonio Machado.

Amores Difíciles Los:

Los amores difíciles Italo Calvino, 2023-04-05 Los amores difíciles definición irónica cierto porque cuando se trata de amor o de amores las dificultades son muy relativas O al menos lo que está en el origen de muchos de estos relatos es una dificultad de comunicación una zona de silencio al fondo de las relaciones humanas Italo Calvino Los amores difíciles es una reunión de quince relatos largos escritos por Calvino entre 1949 y 1967 muchos de los cuales se publicaron por primera vez en el volumen recopilatorio *I racconti* Los cuentos En 1970 Einaudi decidió publicar en volumen exento la primera parte de aquella antología titulada precisamente *Gli amori difficili* Sus historias versan sobre la dificultad de comunicación entre personas que por alguna inesperada circunstancia podrán comenzar una relación amorosa En realidad son relatos sobre cómo una pareja no alcanza nunca a establecer ese vínculo afectivo inicial aunque todo parezca favorecerlo Pero para Italo Calvino en ese desencuentro reside no solo el motivo de una desesperación sino también el elemento fundamental o la esencia misma de la relación amorosa

Amores difíciles Tonino Cantelmi - Rachele Barchiesi, Por qué parece hoy tan difícil si no a veces imposible construir relaciones afectivas estables y duraderas Por qué las personas prefieren sentarse ante el televisor para ver el programa del momento y buscar el alma gemela Por qué la transgresión se está convirtiendo en la regla de las relaciones Por qué el amor el verdadero tan soñado y tan proclamado parece estar volviéndose desesperadamente difícil Este libro traza un recorrido en la búsqueda de lo que hemos perdido inmersos en una sociedad loca y frenética que nos impone ritmos inhumanos y casi nos impide notar el vacío de relaciones ficticias y emotivamente superficiales Los autores nos devuelven por una parte un cuadro realista del gran dramatismo posmoderno en el cual hemos fragmentado el amor y por otra una nueva perspectiva desde la cual mirar y comprender dónde nos encontramos pero sobre todo cómo estamos y qué podemos construir para acercarnos al sentido más verdadero del amor que no puede ser el de colmar nuestras soledades o hacernos olvidar por un instante el frenesí de la vida moderna o inyectarnos una dosis de sensaciones que nos hagan sentir vivos El amor no puede estar en las formas que le hemos asignado en esta sociedad sino que debe ser algo más grande y bello
