Sharing the Good News with Mormons Eric Johnson, Sean McDowell, 2018-06-05 How do you share the gospel with those who don't think they need it? Someone you know is a Mormon: a family member, a coworker, a friend, or a neighbor, and you long to present the truth about Jesus and what God's Word teaches. But where do you start? How can you convey what's on your heart in a way that will be well received? Every relationship and situation is unique, and that's why these essays from respected scholars, apologists, and pastors, including Sandra Tanner, Robert Bowman, David Geisler, Bill McKeever, Mark Mittelberg, J. Warner Wallace, Lynn Wilder, and others, lay out a variety of creative methods for sharing the gospel effectively so you can initiate authentic conversations, respond with compassion and clarity to Mormon teachings, understand your Mormon friends, and find ways to keep the dialogue going. Speaking the truth to Mormons can feel daunting when you're unprepared. Let the suggestions in this book give you solid ideas for reaching those who are lost but don't realize it.

Of Faith and Reason: 80 Evidences Supporting Joseph Smith Michael R. Ash, 2023-02-02 In the early 1800s, many people criticized the Prophet Joseph Smith for his prophecies and revelations. Today, several evidences prove that Joseph was right. Michael Ash, a well-known LDS apologist, explains why it is useful and perhaps even necessary to combine reason with faith in our testimony of Joseph Smith. He reminds us that although secular evidences can't replace a spiritual witness, they can support a testimony and provide an atmosphere where a spiritual witness can flourish. Using scholarly journal articles and ancient Jewish and Christian writings, Ash provides evidences that show how the Book of Mormon is a true account of an ancient people, how LDS scriptures are consistent with the traditions and culture of ancient Israel, and how the doctrines of the Church accurately reflect the teachings of Christ. Ash writes clearly and simply, providing numerous resources to foster further study. With over 80 evidences, this book is an excellent resource for those seeking more information about Joseph Smith and his works.
