An Awakening Within Jeffrey Alan Hall, 2002-02-11 If there is to be an awakening it must be within each of our souls for that is the only place that true and lasting change can occur We must awaken to the wonderful possibilities of what we can become as one world and not focus on what we have been as separate nations We must awaken to the things we are for the things that unite us as a planet and not dwell on what we are against by drawing lines in the sand We must awaken to the power of the God force and allow it to lead our collective consciousness to a new and higher way of being We must awaken to the power of love Jeffrey Alan Hall From An Awakening Within **An Awakening Within** Jeffrey Alan Hall, 2002-02 If there is to be an awakening it must be within each of our souls for that is the only place that true and lasting change can occur We must awaken to the wonderful possibilities of what we can become as one world and not focus on what we have been as separate nations We must awaken to the things we are for the things that unite us as a planet and not dwell on what we are against by drawing lines in the sand We must awaken to the power of the God force and allow it to lead our collective consciousness to a new and higher way of being We must awaken to the power of love Jeffrey Alan Hall From An Awakening Within **Welcoming the Spiritual Awakening Within Me** Emotions Anonymous, 2019-08-13
