Charles Rosenbury Erdman

An Epistle To The Hebrews:

Epistle to the Hebrews John Brown, 2008-08 John Brown is excellent on this book and it certainly is worth owning Spurgeon reports that Dr David Smith says of this work There is not a single instance of carelessness in investigating the true meaning of a text or of timidity in stating the conclusion at which the author has arrived Spurgeon adds What more could be said in praise of any exposition John Brown of Edinburgh is a superior expositor and his work on this book proves it again **The Epistle to the Hebrews** Adolph Saphir, 1902 **A Commentary on the Epistle to the Hebrews** Moses Stuart, 1854 The Epistle to the Hebrews, the Greek Text with Notes and Essays Brooke Foss Westcott, 1920 The Epistle to the Hebrews Thomas Hewitt, 1960 **The Epistle to the Hebrews** Frederick Fyvie Bruce, 1990 Hebrews is the book which establishes the finality of the gospel by asserting the supremacy of Christ his supremacy as God's perfect word to man and man's perfect representative with God More than any other New Testament book it deals with the ministry which our Lord is accomplishing on his people's behalf now In a day of shaking foundations it speaks of the kingdom which cannot be shaken Preface to the first edition *Commentary on the Epistle to the Hebrews* Moses Stuart, 2015-09-04 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Epistle to the Hebrews Charles Rosenbury Erdman, 1934 Does Christianity claim to be the perfect and therefore the final form of religious belief If so on what grounds does it base so extraordinary a claim and what consequent obligation rests upon its adherents to appreciate its full significance and to share its riches with the followers of other faiths Such are the questions raised and answered by the following fascinating letter which consequently constitutes one of the most important documents in the literature of the world The Epistle to the Hebrews Jean Hering, 2010-07-01 Professor Jean Hering who died in February 1966 had been intimately connected with the Protestant Faculty of Theology at the University of Strasbourg for thirty years The originality and profundity of his learning made him one of the most influential of its scholars In earlier years he had specialized in philology He had been also an ardent though not uncritical disciple of Husserl and always retained an interest in phenomenology For a time he had occupied a Chair of Ethics prior to his Chair of Theology Until his death he was a Joint

Director of the internationally famous *Revue d'histoire et de philosophie religieuses* to which he made frequent contributions. His main interest for the greater part of his career was in New Testament studies. The three commentaries which he produced have been esteemed as amongst the best in the French language. The commentary of the First Epistle of Saint Paul to the Corinthians was made available in an English translation by Epworth Press in 1962. This was followed in 1967 by the translation of the commentary on Second Epistle to the Corinthians. The trilogy is completed by the work here presented. The same conciseness and clarity will be found as in the two preceding commentaries together with that meticulous care for philology which was typical of the writer. For all that the broader and more practical relevance of detailed exegesis is not forgotten nor the spiritual profit to be had from it. The student is given clear guidance for the study of the text whether he is working with Greek or English. The more advanced scholar will appreciate the balanced judgment which is brought to bear upon difficult passages and the fresh solutions which are often proposed. In agreement with the author's wishes Dr Heathcote has provided a fresh translation of the text of the Epistle making use of the French version given by Professor Hering himself and embodying also the critical decisions reached in the body of the Commentary.

The Epistle to the Hebrews Paul Ellingworth, 1993-06-04. This superb work is sure to win a name for itself as one of the major commentaries on the Epistle to the Hebrews. The principal purpose of this substantial volume is to clarify the meaning of Hebrews long considered a complicated and obscure book. Paul Ellingworth's fine tooth comb coverage of Hebrews looks at the text up close and in a broad light enabling the reader to see the forest as well as the trees. In his determined quest to understand Hebrews Ellingworth begins with a detailed study of the Greek text working outward to consider the wider context linguistic questions and the relation of Hebrews to other early Christian writings and to the Old Testament. Nonbiblical writings such as Philo and the Dead Sea Scrolls though less directly related to Hebrews are considered where appropriate. Unveiling the discourse structure of this carefully written letter Ellingworth's commentary helps make coherent sense of the complexities of Hebrews. As a result of his exhaustive study Ellingworth finds Hebrews to be primarily a pastoral not a polemical writing. Showing how Hebrews beautifully emphasizes the supremacy of Christ Ellingworth concludes that the essential purpose of the epistle which maintains the continuity of God's people before and after Christ is to encourage readers to base their lives on nothing other and nothing less than Jesus. A substantive bibliography and a comprehensive introduction precede Ellingworth's commentary and three indexes of subjects authors and Greek words discussed conclude the volume.

The Epistle to the Hebrews Harold W. Attridge, 1989. The first major and comprehensive English language commentary on Hebrews in over fifty years. Presents a balanced and richly documented interpretation. **Commentary on the Epistle to the Hebrews** Franz Delitzsch, 1870 *The Epistle to the Hebrews* F. F. Bruce, 2012-04-30. For many readers

the Epistle to the Hebrews is among the most difficult books of the New Testament Understanding its message calls for a great familiarity with its Old Testament background and a good knowledge of first century biblical exegesis This new independent paperback edition of F F Bruce s long standing hardcover volume on Hebrews in the New International Commentary on the New Testament NICNT series covers both of those fronts When first published in 1964 Bruce s Hebrews received critical acclaim and over the years it has become a classic work of evangelical biblical scholarship Just before his death in 1990 Bruce completed a full revision of the text incorporating twenty five years of further study Every reader of Hebrews whether student or scholar minister or layperson will benefit from the careful exegesis and pastoral wisdom distilled in this volume
