An Excuse For Living:

Littell's Living Age ,1909 15 Things You Should Give Up to Be Happy Luminita D. Saviuc,2016-03-08 Based on a phenomenally popular blog post a simple and counterintuitive approach to finding true joy When Luminita Saviuc founder the PurposeFairy blog posted a list of things to let go in order to be happy she had no idea that it would go viral shared more than 1 2 million times and counting Based on that inspiring post this heartfelt book gives readers permission to give up that is to let go of the bad habits that are holding them back from achieving authentic happiness and living their best lives Lessons include Give Up the Past Give Up Your Limiting Beliefs Give Up Blaming Others Give Up the Need to Always Be Right Give Up Labels Give Up Attachment Simple yet wise and informed by the author s own inspiring personal journey this liberating little book presents a fresh twist on happiness advice take a step back to reflect and give yourself permission to let things go Includes a foreword by Vishen Lakhiani New York Times bestselling author of The Code of the Extraordinary Mind and founder and CEO of Mindvalley **The Living Drama** Nellie Burget Miller,1924 This study will endeavor to present in simple and concise form a survey of this continuous dramatic movement from its earliest recorded expression to contemporary moments under a single cover Since to know thoroughly the dramatic output of any one period might command the industry of a lifetime the task is a colossal one and precludes any pretense at completeness the treatment is suggestive rather than informative and should be supplemented by a study of the plays indicated under each section After all the important thing is not the painful piling of fact upon fact but gaining an intelligent working knowledge of the whole and knowing exactly where to turn for detail when it is needed The information has been gathered from many works upon the various phases to which the writer is deeply indebted all of which are indicated in the bibliographies We purpose then to take a sort of Cook s Tour over the whole domain of the drama touching the main points of interest and leaving the reader to return and explore at leisure **The Fine Art of Living Together** Albert William Beaven,1927 **The Living Age** ,1907
