**An Ice-Cream War** William Boyd, 2011-02-16 Rich in character and incident An Ice Cream War fulfills the ambition of the historical novel at its best The New York Times Book Review Booker Prize Finalist Boyd has more than fulfilled the bright promise of his first novel He is capable not only of some very funny satire but also of seriousness and compassion Michiko Kakutani The New York Times 1914 In a hotel room in German East Africa American farmer Walter Smith dreams of Theodore Roosevelt As he sleeps a railway passenger swats at flies regretting her decision to return to the Dark Continent and to her husband On a faraway English riverbank a jealous Felix Cobb watches his brother swim and curses his sister in law to be And in the background of the world s daily chatter rumors of an Anglo German conflict the likes of which no one has ever seen In An Ice Cream War William Boyd brilliantly evokes the private dramas of a generation upswept by the winds of war After his German neighbor burns his crops with an apology and a smile Walter Smith takes up arms on behalf of Great Britain And when Felix s brother marches off to defend British East Africa he pursues against his better judgment a forbidden love affair As the sons of the world match wits and weapons on a continent thousands of miles from home desperation makes bedfellows of enemies and traitors of friends and family By turns comic and quietly wise An Ice Cream War deftly renders lives capsized by violence chance and the irrepressible human capacity for love Funny assured and cleanly expansively told a seriocomic romp Boyd gives us studies of people caught in the side pockets of calamity and dramatizes their plights with humor detail and grit Harper s Boyd has crafted a quiet seamless prose in which story and characters flow effortlessly out of a fertile imagination The reader emerges deeply moved Newsday

**Novels of William Boyd** Dr. Rajesh Shashikant Latane, 2015-02-25 have great pleasure in writing this foreword to Dr Latane s book on the Novels of William Boyd The book is a significant contribution to Boyd criticism It has discussed the early the middle and the last phase of Boyd s novels In doing if the author has defined the totality of Boyd s vision Indeed every novel is a part of this totality and the totality is more than a mere sum of the novels The reciprocal relationship between the part and the whole is the crux of novel criticism and the book has given due justice to this aspect Another important feature of the book is the analysis of the postmodernist element in Boyd s novels This critical framework can be used to analysis the postmodernist element in the contemporary Indian novel in English Even going further it can be used to analyse the Postmodernist element in the contemporary Marathi novel A thesis is really acknowledged when it become a source material for the future researchers and comparatives Mr Latane s book has that potential I heartily wish a good reception to the book Dr Prakash Deshpande Kejkar Former Professor of English Shivaji University Kolhapur
