McCall,2015-07-12 Excerpt from The Constable's Guide Concise Treatise on the Powers and Duties of Constables State of New York To Which Is Added an Appendix Containing Most of the Practical Forms Necessary to Be Used by Them in Their Several Duties The duties powers and responsibilities of Constables in the State of New York have ever been large and important and they have been much enlarged by the recent acts of the Legislature increasing the jurisdiction of justices courts The works which were some time since published with reference to Constables their powers and duties have been for

several years out of print and a work properly adapted to the use of Constables has been a long time demanded The changes which have been made in the statutes with reference to the powers of Constables are very many while the decisions of our several courts have served to elucidate many things which were formerly doubtful or uncertain To collect these and arrange them in proper order has been a work requiring considerable labor and care That some decisions may have been overlooked amid the many reports which we now have is possible yet the Constable will no doubt find in the following pages all the instruction needed in the ordinary and responsible duties of his office About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
