Couples' Companion Volume 1 Nqobile Ngwenya,2024-02-09 It s important to note that society is premised on the family nucleus failure to raise and establish formidable marriages will result in producing all forms of chaos in the marriage and the home Ultimately because of its porous nature chaos spills over to harm communities nations continents and the world at large Since the stroke of the faintest pen carries much durability than the memory of any human being alive I decided to put my short film animations which I have been sharing on different social me dia platforms which include Spoken Word Fellowship Marriage Chats and Quotes on Facebook into writing My goal in doing this is to touch and transform as many marriages as possible one couple at a time Secondly writings have the propensity to outlive their authors so by putting my thoughts into writing I join the band wagon of saints and other history makers whose teachings are still saving lives to the glory of Christ decades centuries and even millenia after they march into perpetual glory My focus is to positively impact marriages not only because it s my passion to do so but to save millions by means of sharing Christ centric
