Courage To Hope:

The Courage to Hope Shirley Sherrod, Catherine Whitney, 2012 In the summer of 2010 Shirley Sherrod was catapulted into a media storm that blew apart her life and her job doing what she'd done for decades helping poor hardworking people live the American dream She was a lifelong activist who served as Georgia's first black director of rural development A right wing blogger the now late Andrew Breitbart disseminated a video clip of a speech Sherrod had given to the Georgia NAACP intending to make her an example of reverse racism The right wing media ramped up the outrage and before Sherrod had a chance to defend herself the Obama administration demanded her resignation Then after hearing from Sherrod herself and learning the entire truth of what she said in that speech the administration tried to backtrack As public officials and media professionals admitted to being duped and apologized for their rush to judgment Sherrod found herself the subject of a teachable moment *The Courage to Hope* addresses this regrettable episode in American politics but it also tells Sherrod's own story of growing up on a farm in southwest Georgia during the final violent years of Jim Crow As a child she dreamed of leaving the South but when her father was murdered by a white neighbor who was never brought to justice Sherrod made a vow to stay in Georgia and commit herself to the cause of truth and racial healing With her husband Charles a legend in the civil rights movement she has devoted her life to empowering poor people and rural communities Americans who are most in need The incident that brought Sherrod into the spotlight does not define her life and work but it strengthens her commitment to stand against the politics of fear and have the courage to hope

[The Courage to Hope](#) Christy-ana Williams-Rutil,2023-04-13 Christy ana Williams Rutil has encountered many challenges at such a young age the most

profound was the abandonment of her father However her Christianity and her love for God gave her the courage to hope that everything will ultimately be okay Her strength comes from God She believes that there is no battle that God cannot win and no problem he cannot solve Christy s hope is that every child who is going through heartbreak after losing a parent either through death or abandonment can find rest in the arms of Jesus She believes that building a relationship with Jesus will definitely replace any pain Christy also believes that forgiveness and love is better than hate She believes whenever someone hurts you for no apparent reason you pray for them and love them You even forgive them because they do not know what they are doing People hurt people because they allow the enemy to control them We should pray that God helps them to turn from the enemy Once that person has Christ in their life they will change so they will make the right choices People without Christ are immune to wrong decisions bad behavior poor relationships and poor judgments She says You cannot hate someone who does not know better You just pray for them
