The Courage to Care Christie Watson, 2021. In *THE COURAGE TO CARE*, Christie Watson reveals the remarkable extent of nurses' work. A community mental health nurse choreographs support for a man suffering from severe depression. A teen with stab wounds is treated by the critical care team. A pregnant woman loses frightening amounts of blood following a car accident; it is a military nurse who synchronises the emergency department into immaculate order and focus. Christie makes a further discovery that time and again it is patients and their families, including her own, who show exceptional strength in the most challenging times. We are all deserving of compassion, and as we share in each other's suffering, Christie Watson shows us how we can find courage too. *The courage to care* **The Courage to Care** Marilyn Brown Oden, 1979
