Court Divided:

A Court Divided Mark V. Tushnet, 2005 In this authoritative reckoning with the eighteen year record of the Rehnquist Court Georgetown law professor Mark Tushnet reveals how the decisions of nine deeply divided justices have left the future of the Court and the nation hanging in the balance Many have assumed that the chasm on the Court has been between its liberals and its conservatives In reality the division was between those in tune with the modern post Reagan Republican Party and those who though considered to be in the Court s center represent an older Republican tradition As a result the Court has modestly promoted the agenda of today s economic conservatives but has regularly defeated the agenda of social issues conservatives while paving the way for more radically conservative path in the future **COURT DIVIDED** ERWIN.
