conceived as a critical friend to the movement rather than cheering it on encouraging people to think and engage more deeply with theological sociological and ecclesiological issues The Marketplace Ministry Handbook Robert J. Banks, R. Paul Stevens, 2005 Work has become for many people the central reference point in their lives and the main consumer of their time and energy Whether people have much or little money is what much of life revolves around There is an implicit theology in everyone's attitude to and handling of work This book looks at the relationship between God and the marketplace at work as a spiritual discipline and at how to handle some of the main pressures and dilemmas that arise in a work setting The combined wisdom of dozens of experts makes this volume a great place to start thinking about how Christians should approach subjects such as ADVERTISING BUSINESS ETHICS COMPETITION COMPROMISE CONTRACTS CREDIT DEBT FIRING GOSSIP INSURANCE INTEGRITY INVESTMENT LEADERSHIP LOYALTY MANAGEMENT NEGOTIATING NETWORKING OFFICE POLITICS PROMOTION RETIREMENT SHIFTWORK STEWARDSHIP STRESS STRIKES UNIONS VOLUNTEER WORK WHISTLE BLOWING R Paul Stevens is the David J Brown Family Professor of Marketplace Theology and Leadership at Regent College in Vancouver and the author of many books on marriage work and everyday life His many books include *The Other Six Days Liberating the Laity Marriage Spirituality Living the Story and Down to Earth Spirituality* Robert Banks is past director and dean of Macquarie Christian Studies Institute in Sydney Australia He has written widely on work community and popular culture including *The Tyranny of Time and Redeeming the Routines* Holy Living: Confession Paul W. Chilcote, 2020-02-18 While physical training has some value training in holy living is useful for everything It has promise for this life now and the life to come 1 Timothy 4:8 Christians crave a deeper more intimate relationship with God Spiritual disciplines are activities and practices that guide you in your daily walk through life bringing you closer to Christ They also help you to make a difference in our world Practicing these spiritual disciplines opens you to God's transforming love and help you experience Holy Living Confession may be good for the soul as the saying goes but most people give little thought to its practice at least on a daily basis Like prayer a person's needs tend to trigger a confessional response As a result we often have a limited understanding of the true nature of the practice Confession is so much more than a call to apologize though that is an integral part Confession is fundamentally relational providing the opportunity to experience a much fuller relationship with God This book provides opportunities both to examine and to practice the many forms that confession takes It begins by looking at our confession of faith not sins and what we affirm about the nature and purposes of God From there it moves to exploration and practices of individual confession mutual confession and worship which provides one of the most significant contexts for the people of God to confess their sin before God and one another This is one of series of eight books Each book in this series introduces a spiritual practice suggests way of living the practice daily and provides opportunities to grow personally and in a faith community with others who engage with the practice Each book consists of an introduction and four chapters and includes questions for personal reflection and group discussion Other disciplines studied

Richey, Dennis M. Campbell, William Benjamin Lawrence, 2005 In this synthesis of the prior volumes in the United Methodism and American Culture series Richey and his colleagues challenge the caricature of Methodism as a nontheological tradition by teasing out the theological dimensions that are embedded in characteristic Methodist practices Their articulation of the various implications of itinerancy discipline connectionalism and catholicity will be central to all future considerations of Methodist ecclesiology But just as important is the way in which they constantly move beyond description to challenge and provide resources for North American Methodists as we move into this new century Guide for Covenant Discipleship Groups Gayle Turner Watson, 2011-07-11 Covenant Discipleship Groups have a long history of helping Christians grow as disciples Based on the early Methodist class meetings Covenant Discipleship Groups provide a way for Christians today to be accountable disciples of Jesus Christ Q A s Q WHAT IS A COVENANT DISCIPLESHIP GROUP A Covenant Discipleship Groups consists of up to seven persons who meet together for one hour each week to hold themselves mutually accountable for their discipleship They do this by means of a covenant that they have written Q WHAT IS THE PURPOSE OF A COVENANT DISCIPLESHIP GROUP A Covenant Discipleship Groups are intended solely for mutual accountability and prayerful support for living as disciples in the world They are not where our discipleship happens but where we make sure that it happens Q WHY DOES THE GROUP NEED A COVENANT A The covenants we make with one another help us keep our covenant with God We make covenants with one another because we live in a world that has yet to accept God's salvation We constantly face temptations to turn away from God and we need some means of mutual support John Wesley and the early Methodists understood this need and saw that nothing short of binding themselves to mutual accountability would suffice By the grace of God they agreed to watch over each other in love Q WHY JOIN A COVENANT DISCIPLESHIP GROUP A By joining with other Christians in a weekly meeting members of Covenant Discipleship Groups learn to center their lives on Jesus Christ by following his teachings and supporting one another in living out the basics of Christian discipleship Q WHAT WILL HAPPEN TO ME IN A COVENANT DISCIPLESHIP GROUP A You will become more aware of God's grace in your life You will find new ways of serving God and your neighbor You will find your understanding of God's will greatly enhanced Q How WILL THIS BOOK HELP ME A This handbook is primarily a practical reference manual for starting developing sustaining and incorporating Covenant Discipleship Groups into the mission and ministry of the church *Planning for*
