Cowboy In The Roundhouse A Political Life:

Cowboy in the Roundhouse Bruce King, 1998 A classic tale of political intuitions spiced by New Mexico flavor as unique as Hatch green chile this autobiography of Governor Bruce King makes lively reading for anyone interested in politics history cowboys ranching and the American West *Cowboy in the Roundhouse* Bruce King, Professor of Commonwealth Literature Bruce King, 2015-08-27 Bruce King towered over the political landscape of New Mexico in the last half of the twentieth century Born the son of a homesteader in the tiny Santa Fe County farm and ranch community of Stanley King decided in seventh grade to be governor of New Mexico The story of how he accomplished that goal three times plays out against the tremendous transformations occurring in the society culture politics and business of New Mexico since World War II When King won his first Santa Fe County Commission seat in 1954 at age 29 running for office was a down home affair Politics was personal But as he served in office and climbed the political ladder toward his lifelong ambition New Mexico changed The state s population shifted away from the rural communities to the rapidly expanding cities while the once dominant agricultural interests in the legislature yielded to the emerging urban voting blocs Meanwhile the challenges of governing grew ever more complex King s well recognized skills of mediation and conciliation helped him lead the state through a time of often bewildering change This book is rich with colorful stories as King recalls the major events of his career and conveys the human side of campaigning governing political deal making and sparring with the press He also talks about his friendships and encounters with many of the leading national and state political figures of our time including President Bill Clinton President Ronald Reagan President Jimmy Carter Senator Pete Domenici and then Energy Secretary Bill Richardson A classic tale of political intuitions spiced by New Mexico flavor as unique as Hatch green chile *Cowboy in the Roundhouse* is lively reading As famed mystery writer Tony Hillerman writes in his introduction to the book While I count myself among the many who wanted Bruce King to write an autobiography I doubt if any of us had much hope he d get around to doing it Now he has and it s even better than we d expected 8 Charles Poling is a journalist and author who could not remember a time when Bruce King was not governor Poling writes fiction and true stories about the history business politics and daily life of New Mexico He currently makes his home in Placitas where the past present and future blend together and resonate with the peculiar harmony and dissonance known as New Mexico Engines of Democracy Alan Rosenthal, 2008-10-07 State legislators have often been in the shadow of their national counterparts but they drive the processes of democracy Rosenthal brings together a lifetime of research and experience on state legislative politics into one eminently readable volume a dynamic inside view of the people involved the politics that prevail and the interest groups and lobbyists who advocate their causes Building on earlier work with new data and recent interviews and observations Rosenthal looks at the way representation works Americans critical view of their legislatures the role of legislative leaders the dynamics of executive legislative relationships as well as norms and ethics Both a complement and contrast to the policymaking process on Capitol

Hill Engines of Democracy proves that no one gives insight into state legislators and their work the way Alan Rosenthal can
