American migrants crossing the southern border of the United States have dominated the national media as the legitimacy of

seeking economic opportunities and fleeing violence from gangs and drug traffickers are many Central American Garifuna  
This fascinating book is the long overdue account written by a Garifuna New Yorker of the ways that Garifuna immigrants

five boroughs with their largest population in the Bronx Having overcome numerous challenges this Black Indigenous ethnic  
group is now known for its significant involvement in both Central American as well as U S societies The Garifuna are  
integrated into the fabric of New York City as a distinctive Afro Latinx African Diaspora ethnic group known for its cultural  
and political impact Garifuna organizations are at once concerned with creating alliances with a diversity of many other  
groups and also focused on dealing with issues specific to the unique culture history and situation of the Garifuna They  
provide an interesting case study on whether and how Black ethnic groups assimilate with African Americans And awareness  
of this group its culture and its contribution to American society is essential to understanding a growing segment of the
