Annual Interpretative Expository 2020-2021 Church Of God In Christ Publishing House,2020-12-04 Sunday School across America is on a decline Biblical literacy is at an unprecedented low amongst believers and it seems as if there is no end to where this could lead to in our churches The COGIC Sunday School department desires to help aid literacy by providing quality supplemental lesson material Enlisting help from scholars across the country the department wrote the Interpretative Expository an exposition for each lesson of the Sunday School curriculum Also to assist pastors preachers missionaries and laity with sermon subjects and preparation our team has included a sample sermon outline from one of the lessons Reemphasize the message of Sunday School by preaching a message from the text of the lesson

**Prayer Warrior** Gail Appel,2015-08-20 Prayer Warrior describes Gail Appels quest to learn how to obey Gods admonition to pray without ceasing As Gail began seeking Gods heart in prayer He showed her how to pray effectively using a clear method of searching Scripture for specific themes and verses and defining each term to determine Gods will in prayer The result is a comprehensive topical study of four hundred different prayer needs As Gail

submitted herself to God's instruction her horizons began to expand and her relationship with God deepened She learned to pray with power trust and joy Prayer is every believer's privilege as well as duty Prayer makes joy possible under all circumstances as we make our requests known to God and listen to His still quiet voice

**Highway to Holiness** Catherine (Cathee) Miles, 2025-07-22 Holiness sometimes seems like an abstract ideal that is unattainable for believers We tend to equate doing good with being holy or seeking to eliminate things in our lives that appear unholy The beautiful aspect of God's call to holy living is that God provides the Holy Spirit the enabling conduit to the everyday practice in holy living Through this devotional Cathee helps believers understand the idea of holiness as well as theological concepts surrounding holy living such as the Trinity the Church and discipleship She encourages and challenges readers with stories of hope redemption healing forgiveness suffering and the way of the crucified life which lead to a life of wholeness and holiness in and through Jesus Christ Each day offers a reflection and contemplation of Scripture a prayer and questions of self examination The Highway to Holiness is intentional and instructional for holy living

Henry, 2019-03-22 *Where Boys Go to Die* addresses the internal characteristics of boyhood evident in many adult males while offering insight into various causes This book will provide godly steps to remedy issues of inadequacy anger depression drug use violent outburst despondency gender dysphoria criminal activity and a host of other undesirable negative behaviors Henry is transparent about his gripping journey from the underworld and outskirts of society to the redeeming restorative salvation found in Jesus *Where Boys Go to Die* demonstrate that by applying biblical principles and Christian values to an individual's life the most marginalized are brought into a proper relationship with God and society

**The Trouble with the Trinity** Carlos A. Pinkham, 2019-07-26 One God or one with several forms Or maybe two three or perhaps many separate Gods If you seriously study all the Christian religions you will find that each of these possibilities is claimed That is one trouble with the Trinity there are just too many possibilities Which if any is right Which view does the Bible support And if it supports one view how strongly and in exactly what way The Trouble with the Trinity attempts to study every verse in God's Word that links a name for one or more members of the Godhead with a nearby word or concept for God Nearly a thousand verses meet this condition Collating them into logical categories reveals the eight and only eight possible ways and

combinations that could help us understand that the Father Son and Holy Spirit is Three in One Moreover when the verses in each of these eight ways are further organized they provide deep insights into the nature of God And when the eight ways are woven together they reveal a startling symbol with relevance to Judaism Christianity Islam geometry and our neural network Furthermore these insights are reinforced through the symbolism of the colors used in the tabernacle when these colors are properly applied to the eight parts of the symbol The book incorporates mathematics and science especially the biological sciences written with plain language into the discussions of the Trinity Some of the proposed connections have never been posited elsewhere It also considers other symbols and icons of the Trinity for their ability to reflect aspects of the Triune Godhead The Trouble with the Trinity is not written for the theologian although it includes a section that presents a theological discussion of the Trinity Rather it is written for those who are curious about or confused by the Trinity For more information and to view Images About the book Appendixes and more as well as contact information please go to <https://www.thetwtt.com> You can also visit the author s Facebook page <https://www.facebook.com/TTWTTrinity> [view\\_public\\_for\\_100820838002256](https://www.facebook.com/TTWTTrinity) Forthcoming Books Rose Arny,2004 **Charisma and Christian Life** ,1994 *Subject Guide to Books in Print* ,2001 **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09 *Concise Dictionary of New Testament Words* Richard Pigeon,Gretchen S.
