Men of Empire Monique O'Connell, 2009-04-27 The city state of Venice with a population of less than 100 000 dominated a fragmented and fragile empire at the boundary between East and West between Latin Christian Greek Orthodox and Muslim worlds In this institutional and administrative history Monique O'Connell explains the structures processes practices and laws by which Venice maintained its vast overseas holdings The legal linguistic religious and cultural diversity within Venice's empire made it difficult to impose any centralization or unity among its disparate territories O'Connell has mined the vast archival resources to explain how Venice's central government was able to administer and govern its extensive empire O'Connell finds that successful governance depended heavily on the experience of governors an interlocking network of noble families who were sent overseas to negotiate the often conflicting demands of Venice's governing council and the local populations In this nexus of state power and personal influence these imperial administrators played a crucial role in representing the state as a hegemonic power creating patronage and family connections between Venetian patricians and their subjects and using the judicial system to negotiate a balance between local and imperial interests In explaining the institutions and individuals that permitted this type of negotiation O'Connell offers a historical example of an early modern empire at the height of imperial expansion *The library of national information and popular knowledge* Ward, Lock and co, ltd, 1885 **History of California: 1841-1845** Hubert Howe Bancroft, Henry Lebbeus Oak, William Nemos, Frances Fuller Victor, 1886 This work examines California's history from 1520 to 1890 It also contains an ethnology of the state's population economics and politics **History of the Pacific States of North America** Hubert Howe Bancroft, 1886 History of California Hubert Howe Bancroft, 1886 The Works of Hubert Howe Bancroft: History of California. 1884-90 Hubert Howe Bancroft, 1886 **Pioneer Collections**, 1907 **Historical Collections** Michigan State Historical Society, 1907 Michigan Historical Collections Michigan Historical Commission, Michigan State Historical Society, 1907 *Historical Collections Made by the Pioneer Society of the State of Michigan* Michigan Historical Commission, 1907 *The Puritans* Samuel Hopkins, 1861 *The Pacific Reporter*, 1897 Comprising all the decisions of the Supreme Courts of California Kansas Oregon Washington Colorado Montana Arizona Nevada Idaho Wyoming Utah New Mexico Oklahoma District Courts of Appeal and Appellate Department of the Superior Court of California and Criminal Court of Appeals of Oklahoma varies **Journal of the American Medical Association** American Medical Association, 1893 The New York Times Index, 1926 **Venice in the Thirteenth and Fourteenth Centuries** Francis Cotterell Hodgson, 1910 *Bell's Standard Elocutionist* David Charles Bell, Alexander Melville Bell, 1878 Standard Elocutionist David Charles Bell, 1881 Memoirs of Barras, Member of the Directorate: The directorate up to the 18th fructidor Paul vicomte de Barras, 1895 Paul Francois Jean Nicolas vicomte de Barras 30 June 1755 29 January 1829 was a French politician of the French Revolution and the main executive leader of the Directory regime of 1795 1799 Owing to his intimate relations
