Consumer Trap:

The Consumer Trap Michael Dawson,2004-12 Michael Dawson provides a step by step account of how the corporate marketing behemoth works and grows Using first hand evidence he shows how big business marketing campaigns penetrate and alter the lives of ordinary Americans *The Consumer Trap* Michael Dawson,1995 *A Consumer's Guide to Archaeological Science* Mary E. Malainey,2010-09-28 Many archaeologists as primarily social scientists do not have a background in the natural sciences This can pose a problem because they need to obtain chemical and physical analyses on samples to perform their research This manual is an essential source of information for those students without a background in science but also a comprehensive overview that those with some understanding of archaeological science will find useful The manual provides readers with the knowledge to use archaeological science methods to the best advantage It describes and explains the analytical techniques in a manner that the average archaeologist can understand and outlines clearly the requirements benefits and limitations of each possible method of analysis so that the researcher can make informed choices The work includes specific information about a variety of dating techniques provenance studies isotope analysis as well as the analysis of organic lipid and protein residues and ancient DNA Case studies illustrating applications of these approaches to most types of archaeological materials are presented and the instruments used to perform the analyses are described Available destructive and non destructive approaches are presented to help archaeologists select the most effective technique for gaining the target information from the sample Readers will reach for this manual whenever they need to decide how to best analyze a sample and how the analysis is performed **The Last Days of Democracy** Elliott D. Cohen,Bruce W. Fraser,2010-03-05 Elliot Cohen has political x ray vision that cuts right through the turgid bullshit of corporate media ca ca Buy several copies and hand them out on street corners This book could save America GREG PALAST author of *Armed Madhouse*The Last Days of Democracy is a compelling and alarming last call to awaken the slumbering promise of our Constitution or to watch our freedom slither away forever Corporate media has enabled tyranny to prevail over the truth because they value profits over patriotism This book is a wake up call to save us from the final descent into an Orwellian world from which we will not be able to return MARK KARLIN Editor and Publisher of BuzzFlash comHow can America survive in the information age without any information For too long and at far too great a cost to the country s way of life America s mainstream media have grasped at higher profits by sinking to disgraceful lows in standards and performance Cohen and Fraser reveal the caustically unprincipled impostors of our industry the owners and managers they shill for and the damage they have done Read this book Get mad as hell and let s make certain we don t take it any more ARTHUR KENT SkyReporter comIn this chilling account of an America in political and cultural decline media critics Elliot D Cohen and Bruce W Fraser show how mainstream media corporations like CNN Fox and NBC General Electric together with giant telecoms like Comcast Verizon and AT the facts about the September 11 attacks presidential election fraud the events

leading up to the Iraq war and the selling out of Internet freedom to name just some They reveal how corporate media have systematically attempted to dumb down and distract us from reality with sex and violence how government has used corporate media to shock and awe Americans into surrendering their constitutional rights in the name of the War on Terrorism and how media personalities have been complicit in the mass deception The final chapter points out important ways in which Americans can counter the erosion of democracy by relying less on mainstream media and more on independent news sources through grassroots activism peaceful assembly and exercising their free speech and by using critical thinking to expose the dangers we face Elliot D Cohen Ph D Port St Lucie FL is the director of the Institute of Critical Thinking the editor in chief of the International Journal of Applied Philosophy ethics editor for Free Inquiry magazine and the author or editor of many books in journalism professional ethics and philosophical counseling including News Incorporated Corporate Media Ownership and Its Threat to Democracy Journalistic Ethics with Deni Elliot Philosophical Issues in Journalism and What Would Aristotle Do Self Control through the Power of Reason Bruce W Fraser Ph D Vero Beach FL is founder and president of Americans for Moral Government a political action committee devoted to the preservation and promotion of democratic values

Personal Finance Under One Hour Andrew W. Brown, Brendan M. Connolly, Personal finance is not usually taught in school which leads to learning most financial lessons by making costly mistakes in the real world Additionally most financial experts are actually salespeople in disguise whom are looking out for their commission rather than your investment While you personally do not need to be an expert having some basic knowledge on personal finance and doing some research will drastically help when making financial decisions This book will start you in the right direction Personal Finance Under One Hour does not encompass everything there is to learn about personal finance but instead is designed to give you a basic overview in only an hour Let s be honest most people do not have the time to read a 300 page book on any topic but many people can spare an hour Many sources such as books websites and personal mentors have inspired the contents of this book The goal is to sum

up the best information these sources offer so you can get the most important points in the least amount of time By reading Personal Finance Under One Hour you will gain the necessary knowledge to expand your financial IQ and make better financial decisions Under One Hour books are broken down into six 10 minute sections making it easier to read and learn on the go Each section contains two or three main topics with sub topics to explore Bold words or phrases are the highlight of the topic or paragraph while italicized words are ideas to be explored further outside of the book Printers' Ink ,1919
