The Empty Nest Celia Dodd, 2011-07-07
Newly updated The Empty Nest is an uplifting practical and inspiring guide to adjusting to life after your children leave home
More than half a million parents confront the empty nest for the first time each year
It is one of the most challenging phases of parenting often creating feelings of loss lack of purpose and crisis of identity which can lead to depression
Yet it receives little recognition
And contrary to popular opinion it doesn't only affect women who've put their careers on hold
Working mothers and fathers suffer too
Equally it can be a period of liberation and discovery of new challenges when marriages long overstressed by childcare can be rejuvenated
The Empty Nest includes case studies documenting a wide range of experiences of parents living through an empty nest expert comment and advice
plenty of practical ideas inspiration and tips
This encouraging empowering book helps you to focus on the positive as well as how to handle the changing relationship with your children to ensure a fulfilling and good relationship going forward
an area of parenting often ignored
