

A person is walking away from the viewer down a long, dark, tree-lined path. The path is illuminated by a bright light at the end, creating a strong contrast between the dark foreground and the bright background. The person is silhouetted against the light, and their reflection is visible on the wet ground. The overall mood is one of hope and perseverance.

Courage By Darkness:

Courage by Darkness Jeri Massi,1987 Meet the third Derwood short nearsighted and afraid of everything Jean Derwood s biggest hope is that one day she will do something brave or heroic and prove that she is not a coward Chances of heroism seem pretty slim in the quiet town of Peabody Wisconsin but then a letter arrives for the family inviting them down to Uncle Rufus s farm in Alabama As Jean soon learns the farm is next to an abandoned hunting lodge and no more than a mile from the turning and twisting passages of Limestone Cave To make things even more interesting a stolen jewel called the Winchester Beryl is said to have been hidden in the area The police are still combing the mountains for the jewel thieves Afraid on the one hand that the Lord will not send her an adventure and yet afraid that He will Jean s first chore is to convince her parents to let her stay at the farm

Courage Through the Darkness Cynthia Thomas,2020-03-03 From the beginning Cynthia Thomas s life was unstable All children want to feel safe and loved by their parents However Cynthia was not born into a loving environment Instead she endured fear and broken trust that allowed negative strongholds to form and she carried them into adulthood In *Courage through the Darkness* Cynthia shares her inspiring story of moving beyond her traumatic childhood to healing and restoration Through her journey she is forced to face her fears and make difficult decisions while searching for peace comfort and freedom Along the way she hears a still small voice speaking to her heart providing the hope she so desperately needs With Jesus at her side and guiding the way Cynthia demonstrates that triumph can come from tragedy but you must have the courage to pass through the darkness and seek the light on the other side

the spirit of missions vol lxxiv ,1909 *Human fraternity an urgent necessity, not an outdated utopia* Adolfo Corer,2026-02-06 With great joy and a heart filled with hope I address you for the first time on the occasion of the World Day of Human Fraternity and the 7th anniversary of the signing of the Document on Human Fraternity by Pope Francis and the Grand Imam Ahmad Al Tayyeb On this occasion you celebrate what is most precious and universal in our humanity our fraternity that unbreakable bond which unites every human being created in the image of God Today the need for this fraternity is not a distant ideal but an urgent necessity We cannot ignore the fact that too many of our brothers and sisters are currently suffering the horrors of violence and war We must remember that the first victim of every war is the human family s innate vocation to fraternity Francis Encyclical Letter *Fratelli Tutti* 3 October 2020 26 At a time when the dream of

building peace together is often dismissed as an outdated utopia ibid 30 we must proclaim with conviction that human fraternity is a lived reality stronger than all conflicts differences and tensions It is a potential that must be realized through a daily concrete commitment to respect sharing and compassion In this regard as I recently emphasized to the members of the Zayed Award Committee words are not enough 11 December 2025 Our deepest convictions require constant cultivation through tangible effort Indeed remaining in the realm of ideas and theories while failing to give them expression through frequent and practical acts of charity will eventually cause even our most cherished hopes and aspirations to weaken and fade away Apostolic Exhortation Dilexi Te 4 October 2025 119 As brothers and sisters we are all called to move beyond the periphery and converge in a greater sense of mutual belonging cf Fratelli Tutti 95 Through the Zayed Award for Human Fraternity we pay tribute today to those who have translated these values into authentic testimonies of human kindness and charity Address to Members of the Zayed Award Committee for Human Fraternity 2026 11 December 2025 Our laureates His Excellency Ilham Aliyev President of the Republic of Azerbaijan His Excellency Nikol Pashinyan Prime Minister of the Republic of Armenia Ms Zarqa Yaftali and Palestinian organization Taawon are sowers of hope in a world that too often builds walls instead of bridges By choosing the demanding path of solidarity over the easy path of indifference they have demonstrated that even the most deep seated divisions can be healed through concrete action Their work bears witness to the conviction that the light of fraternity can prevail over the darkness of fratricide
