(Amended by the Act of 2017)

## Key Features of the Original Rent Act (2001):

- **Tenancy Agreement:** The act mandated a written agreement between the landlord and the tenant. This document would detail the terms and conditions of the lease, offering legal protection to both parties.
- **Fair Rent:** The act established a mechanism for determining a 'fair rent' for properties, ensuring that landlords could not arbitrarily increase rental charges.
- **Eviction:** The 2001 Act listed specific conditions under which a landlord could evict a tenant, such as subletting without permission, failure to pay rent, or misuse of the property.
