1. Key concept and short introduction

1.1. Definition of the term "adults" in higher education

This paper is to analyse the state of art in how higher education in Hungary is prepared to open up to adult learners wanting to extend their knowledge and develop skills at an advanced level of education. Also, a detailed description of the roles and functions of higher education in adult learning will demonstrate some particular aspects of available tools and methods in use and their capacities to make HEIs to become capable to respond the adult learners' needs. A particular issue influencing quality of education is how far educational, research and third roles of
