*The Spirit Challenge* Rob Wilson, Marie McArdle, 2017-07-26 Our vision for writing this book was to reach out and inspire both practicing Christians and those Children of God who have concentrated their life's focus on a physical and intellectual level and all but ignored getting in touch with their spiritual beings Our approach is to re create a spiritual health in our earthly brothers and sisters that seems to have gone by the wayside The approach is unique in that it is based on the life experience and soulful reflection of two people who have personally encountered what can best be described as a movement towards a Godless society Our target audience is aimed at a humanity of believers and non believers who have drifted away from relating to their inner beings A people who are concentrating on the backdrop of their lives and not on the main script Who are we Where are we going As a people we have forgotten who we are Christ's Challenge to Man's Spirit in this World Crisis George William Douglas, 1918
