

Challenges To Local Government

Ferdinand Edralin Marcos

Challenges To Local Government:

Challenges to Local Government Desmond S King, Jon Pierre, 1990 This volume provides a timely discussion of how local governments have undertaken public policies during the last decade Concentrating on Britain and the United States with chapters also on the Scandinavian countries and France the contributors document explain and analyze the implications of these policies for local autonomy and local government focusing especially upon local economic initiatives Both the empirical and theoretical implications of these local government policies are discussed drawing on recent research on local autonomy regulationist theory and flexible specialization In each case the challenge posed to the resources and capacities of local governments in advanced industrial democracies is emphasized The topics discussed include such policies as privatization industrial policy economic initiatives public private partnerships municipal liberalization business urban initiatives and local radical politics Challenges to Local Government will be of interest to scholars and students in political science urban studies sociology and geography An impressive and stimulating range of international material likely to influence thinking and teaching on local government for several years to come Local Government Studies Particularly welcome is the comparative focus of several of the chapters and the attempt to apply the American political economy approach to British local government That the collection raises more questions than answers is not a fatal defect in a newly developing field It is a useful if somewhat tentative contribution to the study of comparative urban politics British Politics Group Newsletter This book is the product of an ECPR Work Group would that all such groups produced outputs of this quality Political Studies of interest to teachers and students of local administration as well as to political scientists and economists International Review of Administrative Sciences This is a well structured informative and interesting book Environment and Planning C Government and Policy Wicked Problems Eric M. Reese, Maureen M. Berner, 2014 Local government leaders face a variety of problems in doing the work of local government and must use different approaches and resources to act in the best interest of their communities Some issues are difficult to solve and their root causes are often obscure and can remain untreated These persistent challenges are wicked problems and they can threaten the vitality of communities Local governments are well positioned to play a leading role in coordinating the efforts of businesses nonprofits citizen groups and other governments to help maximize resources and take meaningful actions to tackle these issues This guidebook aims to equip local government leaders with tools to develop new approaches for identifying understanding and addressing wicked problems See the Local Government Board Builders Series webpage for other books in the series and related School of Government publications <https://www.sog.unc.edu/resource/series/local-government-board-builders-series-0>

Challenges to Local Governance in the Pandemic Era John S. Moolakkattu, Jos Chathukulam, 2022-03-18 The COVID 19 pandemic has brought the question of local governance and inter governmental coordination to the centre of public administration There is a general feeling across the world that the local government space is critical in managing pandemics

This volume is a collection of articles on the experiences of the local governments in dealing with the COVID 19 pandemic. Although the focus is on South Asia especially India it also provides perspectives on Europe Africa and Latin America. The book will appeal to researchers policy makers and practitioners who are interested in the interface between public health and local governance particularly during emergencies. It also provides clues about the design of sustainable policy and governance including the type of intergovernmental relations that should emerge in the post COVID situation. *Essay Alan C. Weinstein, 2015* Ongoing problems in the housing and credit markets caused by the subprime lending fiasco pose significant challenges to local and state government officials. Some of these challenges are immediate and obvious for example how to cope with a rapid increase in property foreclosures and a similarly rapid decrease in local property tax revenues. Associated challenges are emerging however such as constriction in the municipal bond market as a result of credit concerns among the companies insuring those bonds. Perhaps most seriously scholars and commentators are suggesting that the current crisis combined with other trends will likely pose daunting new challenges to local government. This article evaluates these developments and their implications for local governments. **The Oxford Handbook of State and Local Government** Donald P. Haider-Markel, 2014-04. The Oxford Handbook of State and Local Government covers the main areas of study in subnational politics by exploring the central contributions to the comparative study of institutions behaviour and policy in the American context. *Problems of Local Government* George Montagu Harris, 2023-07-18. In *Problems of Local Government* George Montagu Harris provides a fascinating and insightful analysis of the challenges facing the modern local government system. With a focus on the United Kingdom this book offers valuable lessons and solutions for anyone interested in the field of public policy and administration. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant. *Challenges to Local Governments* Ferdinand Edralin Marcos, 1982. [What Is Local Government For?](#) Gerry Stoker, 2005. [The Governance of Local Communities](#) Reilly, 2017. The quality of local governance matters more than ever before. To many citizens their local government is the most tangible form of government and it is also the layer of government with which they have most contact in their everyday life. The power of the local administration is that it represents ordinary citizens. People eat drink work play and socialise with others in towns and cities. To be fully effective local government management and service delivery capacity needs to be strong and resources need to be adequate. Civil society and businesses are essential actors in ensuring local governments have the capacity to meet the needs of its citizens. There are a host of challenges that confront local government.

in the 21st century delivering quality services lack of finance and local fiscal autonomy engaging citizens and communities in meaningful and authentic ways forming effective partnerships which incentivize local actors to find solutions to the many complex and intractable issues facing communities generating inclusive and sustainable development implementing strategies for disaster risk reduction managing transparent communications and rapidly evolving technologies and socio economic demographics

The Governance of Local Communities Global Perspectives and Challenges is about the role that ideas institutions and actors play in structuring how people govern local communities and more specifically the types of adaptations necessary in local government roles and responsibilities structures and processes to effectively respond to a changing local government environment Global changes require that we rethink local governance A wide net of international experts on local governance was assembled for this volume to stimulate frank conversations around the many contemporary challenges facing local government

Managing Local Government Kimberly L. Nelson, Carl W. Stenberg, 2025-06-24

Managing Local Government An Essential Guide for Municipal and County Managers 2nd Edition covers the basics of the local government management curriculum with a regional approach that examines the local governmental structural forms administrative functions and financial considerations inherent to the metropolitan environment To prepare the next generation of local leaders authors Kimberly Nelson and Carl Stenberg incorporate real life scenarios case studies and class discussion questions to help students understand contemporary issues

National Problems, Local Solutions, Federalism at Work United States. Congress. House. Committee on Government Reform, 1999

Local Government and Politics in China Yang Zhong, 2003 This study of local government and politics in China explores when and why local government officials comply with policy directives from above It provides an in depth look at policy implementation at the county and township levels in the PRC

National Problems, Local Solutions: Tax reform in the states United States. Congress. House. Committee on Government Reform, 1999

Challenges in Municipal-school Relations, 1965

Justice of the Peace and Local Government Review, 1901

Managing Local Government Services Carl W. Stenberg, Susan Lipman Austin, 2007

Managing Local Government Services 3rd ed is a comprehensive text on the subject of local government services relevant to local governments of all sizes This edition is refocused and updated to include the demographic economic technology and cultural trends that affect the management of service delivery New chapters discuss the shift from government to governance alternative methods of service delivery community development and the five management practices that are fast becoming the standard for professional local government management Each chapter lays out the manager s responsibilities in each service area and provides effective policies practices and procedures Short case examples give you a practical look at the goals challenges and solutions in the manager s world

Cases and Materials on State and Local Government Law Richard Briffault, Laurie Reynolds, 2004 Includes a wide range of textual material both excerpts from other writings and wide ranging notes written for this book Many areas of emphasis in earlier editions have now become individual courses in many

schools such as Land Use and Regulation Constitutional Law and Civil Rights While retaining important material in those areas this casebook expands its coverage of the materials customarily allocated to Local Government Law and emphasizes areas not the focus of separate law school courses Offers the choice in areas of emphasis which meet interest and experience without sacrificing important and necessary basic exposure

Poor Law Magazine and Local Government Journal, 1896

Municipal Government: Problems and Prospects Mohit Bhattacharya, 1974

Managing Nordic Local Governments Eva Marín Hlynisdóttir, Morten Balle Hansen, Anna Cregård, Dag Olaf Torjesen, Siv Sandberg, 2024-07-11 This open access book examines the roles of municipal chief executive officers in Denmark Finland Iceland Norway and Sweden Whilst it has long been recognised that local authorities in these countries are often more autonomous than most other local authorities around the world we still lack an integrated overview of leadership in Nordic local government and the development of its top administrative management This book ameliorates this lack of knowledge by providing a thorough extensive and updated assessment of the role of municipal chief executive officers in the five Nordic states as well as their interactions and relations with internal and external actors Comparative in nature it will appeal to all those interested in local and urban governance public administration public management and leadership studies
