Challenging The Church Monster From Conflict To Community:

Challenging the Church Monster Douglas J. Bixby, 2007-09-01 The church monster according to Bixby is the personification of a wide variety of problems which have arisen in local churches as a result of the heightened levels of conflict and anxiety with which they are dealing His goal is to help pastors as well as laity to challenge the church monster by dealing with conflict and working through issues that are causing stagnation early dismissal of pastors and other discord that detracts from the mission and vision of the church Bixby invites churches as well as shows them how to be open to the genuine and exciting possibilities that emerge from two core principles downsizing and centralizing church government and developing a radical commitment to congregational decision making This means fewer meetings more ministry and less conflict more community He also offers fresh new ways for churches to function so that mission and ministry can once again become priorities and people can begin to feel their time and energy are being used for something other than adding fuel to the fire of conflict within the congregation

Navigating the Nonsense Douglas J. Bixby, 2016-04-08 Navigating the Nonsense will change the way your church approaches conflict and communication It will unlock the untapped potential that exists in your church It is a book for clergy and lay leaders It is for churches tired of getting a new pastor every four years It is for pastors who are afraid conflict may derail the effectiveness of their ministry It is for pastors who are afraid conflict with a small group of people may lead to an early departure from their pastorate It is for church leaders who want to find ways to protect their pastors from disgruntled members It is for leadership teams and boards that feel their ministries are frozen in place or in a permanent state of decline It is for those who believe the church cannot focus on ministry if it is bound up by so much conflict It is for anyone who is tired of feeling frustrated and wants their church to become more centrally focused on Jesus and his way of doing things

Love Letter to a Conflicted Church Richard P. Olson, 2010-01-01 The book is organized into three divisions and as the title implies there is a brief letter in the form of a New Testament epistle to the contemporary church a portion of which begins each chapter The first division reexamines the gifts and redemptive possibilities of anger and conflict The barriers to healthy anger conflict are considered and addressed In the second attention is given to conflicts surrounding the Bible There is a chapter on conflict and reconciliation in the Bible followed by suggestions on how people who read the Bible differently from each other can resolve some of those differences Consideration is also given to discovering biblical priorities for the contemporary church The third division offers vistas of change and reconciliation Parables of hope and promise are provided Insights from the studies of persons and communities as well as ethics and theology are summarized There is reflection on those unresolved conflicts that continue in spite of our best efforts Then moral imagination is engaged to visualize the opportunities for a church that moves beyond its present stalemates

I Refuse to Lead a Dying Church! Paul Nixon, 2007-03-01 God has called all of us to lead healthy growing spiritual churches For this very reason Paul Nixon refused to lead a dying church Paul invites you to join his commitment in refusing ever again

to lead a dying church This commitment entails six choices choosing life over death choosing community over isolation choosing fun over drudgery choosing bold over mild choosing frontier over fortress and choosing now rather than later **A**

Conversation as Ministry: Douglas Purnell,2003-10-22 Douglas Purnell draws upon his experience as a pastor counselor and therapist to give both lay and ordained Christians the resources they need to engage in caregiving conversation intentionally deeply and confidently In Conversation as Ministry Stories and Strategies for Confident Caregiving Purnell shares his reflections on the nature of pastoral conversation and he presents questions for specific conversations to help people focus on their intentions while engaging in pastoral conversation **The Honest to God Church** Doug Bixby,2007-06-27 Doug Bixby knows that many of us have had enough of the liberal vs conservative battles in the church In The Honest to God Church Bixby demonstrates how these extremes have distracted us from our true calling as conduits for God s grace both individually and as congregations Many churches see themselves as okay while everyone outside the church is not okay These churches embrace an ethic of perfection rather than love Often they are very judgmental and rigid little room exists for grace after a person is converted Legalism rather than love becomes the primary defining characteristic people pretend to be perfect even though they are not In reaction to this approach many churches have replaced judgmentalism with an ethic of tolerance But tolerating someone is not the same thing as loving them Tolerance demands only that we give people space Love is deeper and more significant and demands that we enter into their space Besides if on

our own we are okay then why do we need God and one another Bixby recommends we embrace the teaching of Martin Luther that we all are saints and sinners simultaneously Churches that do this raise disciples who readily admit their sin and brokenness and see God's grace as the only means for straightening out their lives Bixby encourages all congregations to live this way authentically and transparently so that we do not have to pretend that we are okay when we are not Bixby challenges us to respond to Jesus's call to come as we are not as we think we ought to be *Covenant Companion*, 2003
