Milwaukee's Live Theater Jonathan West,2009-04-01 Milwaukee s live theater scene is the sum of several exciting parts For many Milwaukee live theater means world class productions done by resident actors at one of the nation s leading regional theaters For others it has been defined by the machinations of a respected experimental theater troupe that traveled throughout Europe in the 1980s and was once honored with an Obie Award There was a time when Milwaukee live theater meant a big top arena where some of the biggest stars of American musical theater frolicked and played for local audiences Audiences in Milwaukee have enjoyed the classics new plays and contemporary hits performed by never say die producers who boast personalities larger than the stages their companies play upon The Milwaukee theater style is not fussy or overblown It is informed by a thrilling past buoyant future unsurpassed community support and unflinching devotion to solid midwestern work ethics channeled into artistic innovation Simply put Milwaukee s live theater scene is the best kept artistic secret in the United States

Performing Loss Jodi Kanter,2007-11-13 In *Performing Loss Rebuilding Community through Theater and Writing* author Jodi Kanter explores opportunities for creativity and growth within our collective responses to grief *Performing Loss* provides teachers students and others interested in performance with strategies for reading writing and performing loss as communities in the classroom the theater and the wider public sphere From an adaptation of Jose Saramago s novel *Blindness* to a reading of Suzan Lori Parks s *The America Play* from Kanter s own experience creating theater with terminally

ill patients and federal prisoners to a visual artist's response to September 11th Kanter shows in practical replicable detail how performing loss with community members can transform experiences of isolation and paralysis into experiences of solidarity and action Drawing on academic work in performance cultural studies literature sociology and anthropology Kanter considers a range of responses to grief in historical context and goes on to imagine newer more collaborative and more civically engaged responses Performing Loss describes Kanter's pedagogical and artistic processes in lively and vivid detail enabling the reader to use her projects as models or to adapt the techniques to new communities venues and purposes Kanter demonstrates through each example the ways in which writing and performing can create new possibilities for mourning and living together

Representation and the Text William G. Tierney, Yvonna S. Lincoln, 1997-01-01 Focuses on authorial representations of contested reality in qualitative research This book focuses on representations of contested realities in qualitative research The authors examine two separate but interrelated issues criticisms of how researchers use voice and suggestions about how to develop experimental voices that expand the range of narrative strategies Changing relationships between researchers and respondents dictate alterations in textual representations from the view from nowhere to the view from a particular location and from the omniscient voice to the polyvocality of communities of individuals Examples of new representations and textual experiments provide models for how some authors have struggled with voice in their texts and in so doing broaden who they and we mean by us

Dorothy Heathcote on Education and Drama Cecily O'Neill, 2014-08-27 Dorothy Heathcote MBE was a unique educator whose practice had a vital influence on the international development of Drama in Education For more than half a century she inspired generations of teachers and educators all over the world by her original and authentic approach to teaching and learning This new collection of the essential writings of Dorothy Heathcote traces the development of her practice over her long professional life It combines the most important and influential articles from the first edition with more recent pieces to show the significant development in Heathcote's thinking and practice The book reveals the increasing complexity of her engagement with Mantle of the Expert as an approach to the curriculum and revisits earlier themes that are central to her work in such pieces as Productive Tension and Internal Coherence In everything she writes she is concerned with introducing teachers to the power of drama as a means of activating the curriculum and giving them the insight and understanding to enable them to generate significant learning experiences with their students Each section is accompanied by an introduction a summary of key points and an extensive list of resources Edited by a leading expert in drama education and featuring a Foreword by Gavin Bolton this new collection of Dorothy Heathcote's work will be welcomed by academics teachers of drama and student teachers

The New Theatre and Cinema of Soviet Russia Huntly Carter, 1924 Drama, 1926 Fanfare, 1921 **Chamber Theatre** Robert S. Breen, 1978 Republication reviewers write Chamber Theatre does not pull the literature of the field together It is the literature of the field impressive original thinking that has generated some of the most important new performing techniques

in the country today The book is unique It has no competition because no other book has ever aimed at treating Chamber Theatre with this depth and scope I thoroughly enjoyed my experience with this book It is a brilliant ground breaking treatise This manuscript clearly reflects the position of a theorist who has extensively tried and tested his principles in the classroom and in performance Consequently Chamber theatre possesses provocative stimulating ideas expressed with clarity and authority This is a rare book which challenges the instructor and the student to explore solutions rather than to accept easy and questionable conventions Robert S Breen is both a compelling theorist and a master practitioner As a theorist he argues forcefully yet still allows room for dissenting opinions As a practitioner he provides an abundance of practical staging techniques culled from years of firsthand experience And in order that you might implement his theory and put his techniques to work he includes five scripts ready for production Hence CHAMBER THEATRE achieves what few books can a rare and happy balance of theory and practice Publisher Musical Digest ,1925 The Drama Magazine ,1930

Programme Boston Symphony Orchestra,1926 *Apollo* ,1926 Includes section Book reviews *The Forum* Loretta Sutton Metcalf,Walter Hines Page,Joseph Mayer Rice,Frederic Taber Cooper,Arthur Hooley,George Henry Payne,Henry Goddard Leach,1923 Current political social scientific education and literary news written about by many famous authors and reform movements *Drama Magazine* ,1930 **American Theatre** ,2006 **Cue** ,1966 **Theatre Directory** ,2006 World Premières ,1900
