

The background of the cover is a vibrant, stylized landscape. In the foreground, a winding river flows from the bottom left towards the center, its water depicted in shades of blue and purple. A small, colorful boat is visible on the river. The middle ground shows a wide, flat expanse of land in warm tones of orange, red, and yellow. In the background, a silhouette of a castle with multiple spires is visible against a dark sky. The sky is filled with several bright, starburst-like lights in yellow, orange, and pink. The entire scene is framed by a white, irregular border.

Changing Kingdoms Choosing A Christ Centered Lif:

Changing Kingdoms Ken Hultman,2004-09 Ken Hultman has the rare ability to state profound wisdom in a simple way Packed with rich biblical insight Changing Kingdoms Choosing a Christ Centered Life describes the epic conflict between God s values and the world s and explains why these two paradigms inevitably clash The book provides an in depth study of the four primary Christian values faith obedience love and service and shows how they define the pathway to victorious Christian living In addition to affirming essential truths through extensive references to scripture each chapter offers practical exercises intended to stimulate personal reflection and spiritual growth Also included is a set of solid biblically based guidelines for making decisions and solving problems that can be applied in a wide range of situations This inspiring book will help you move toward a fuller more dynamic walk with the Lord

The Christ-Centered Life David Broderick,2013-05-30 This book is about my journey into Christ centeredness a personal journey that still goes on daily for me and will continue to do so throughout my life It presents a beginning and a foundation for the journey into Christ centeredness that each of us can undertake as we grow in Jesus for ourselves As such the book gives you some starters and pointers for your own journey into Christ centeredness It is my deepest desire that nothing should prevent my readers from seeing Jesus for themselves and having a real and lasting encounter with him that leads to a life of Christ centeredness

The Practical Steps to the Deeper Spiritual Life Larry Mehaffey,2012-01-19 In attempting to more effectively communicate the principles of spiritual life to those who sincerely desire a deeper reality in their walk with Christ I have discovered that most people appreciate practical and straightforward instructions and this is especially true when it involves the mystical nature of spiritual life Although spiritual life is not meritoriously attained through natural means or human effort there are several Practical Steps that can be taken to help facilitate the practice of spiritual disciplines The combination of these Practical Steps with the spiritual disciplines themselves will work to promote a dynamic life of faith that will effectively bring the believer into a productive and rewarding relationship with God Man is an intentional creation of divine wisdom explicitly designed to fulfill a sacred purpose Agape love requires a soul to empty the wealth of its humanity upon the altar of God as a willing sacrifice If determination is to live up to its potential in promoting the spiritual life it must be united with some very fundamental practical steps Heaven should not be a culture shock to the consciousness of the believer it should be a gradual final step into the glorious reality of a spiritual life whose progress began at conversion Divine pleasure must be the goal of human effort not divine favor The genuineness of what we actually believe is nowhere so obviously exposed as in our daily schedules It does not take overtly carnal acts to corrupt the days of a man s life for inattention and idleness produce the same result as evil actions or wicked intentions Liberty must always precede service if either are to be authentic It is our great love for the Father not our initial desire for salvation that motivates and liberates the sincere believer to live a life of chosen obedience to God
