Changing Me Sexuality In Christian Living:

The Changing Me David Edens,1973 *The Changing Me* David Edens,1991-07 This book for older children discusses family roles and sex from a Biblical point of view **Teaching Parents to be the Primary Sexuality Educators of Their Children** Judith S. Alter,1983 **Teaching Parents to be the Primary Sexuality Educators of Their Children: Guide to designing and implementing multisession courses** Judith S. Alter,1983 **Galatians Bible Study Free!!!** Kathleen Dalton,2018-03-27 This 10 lesson Bible Study in Galatians shows us that as Christians our own sinful nature plays a little trick on us Our pride starts us to thinking Well yes I need a Savior yes I m a sinner but I d rather not feel like such a loser I d rather feel like my Savior loved me because I m so lovable I will do better in this area or in that area or I will do this extra good deed or that one and that will make me better in His eyes I ll be more worthy to be saved And in so thinking we slide away from the side of the One Who died so that we could be worthy We begin to listen to another Gospel the Gospel of works We begin to love another savior the one we ve made up in our minds Paul writes to them from a heart of love reminding them that they are not slaves to works they are Free **Straight to Jesus** Tanya Erzen,2006-06-27 Erzen is sensitive savvy and provocative Her mastery of historical sources ethnographic technique and accessible writing style are evident throughout She illuminates aspects of conservative Christianity central to the culture wars deepening our understanding of the movement s internal struggles over sexuality gender and family issues Erzen has written a wonderful book Diane Winston author of *Red Hot and Righteous* The Urban Religion of the Salvation Army Tanya Erzen s wonderful and timely book provides us with a compelling cultural history of the Christian right in the post war period from the cold war to family and sexual politics as well as remarkable ethnographic insight into the dynamics of Exodus International With compassion humor and insight Erzen takes the reader through the ideological organizational and daily practices used in efforts to change people s theological and sexual orientations from self help to conversion testimony Faye Ginsburg Professor of Anthropology New York University author of *Contested Lives* How to Live with Kids and Enjoy it Iverna Tompkins,Irene Burk Harrell,1977

Sexual Identity Mark A. Yarhouse,Lori A. Burkett,2003-05-27 Most people who attempt to change their homosexual attractions and behaviors experience only partial success despite their best efforts Written for Christians whose beliefs and values support their work towards chastity this book offers a unique look at how they can manage and develop their sexual identity through a number of practical strategies *Reconstructing Sexual Ethics* Eady Jay,2025-10-01 Deconstructing purity culture and reconstructing sexual ethics is essential to the survival of the Christian religion When statistics tell us that approximately 90% of Americans have premarital sex and 87% of Australians believe premarital sex is morally acceptable why do many Christian organizations still promote purity culture It clearly does not work If we are going to talk about healthy sexual expression loving relationships and how to navigate consent we need to do so realistically *Reconstructing Sexual Ethics* opens up deeply honest and authentic conversations around topics like masturbation pornography consent rape

contraception abortion homophobia and queer affirmation exploring how the author has evolved in these and many other areas and challenging the church to do the same Part memoir and part manifesto this book reframes Christian sexual ethics in profoundly important ways elevating the love and grace of God above Evangelical purity culture It has the power to radically transform conversations around various aspects of our sexuality within the Christian religion and broader society

Endorsements

Reconstructing Sexual Ethics is a courageous compassionate and deeply needed work With honesty theological depth and a commitment to love and justice Eady Jay dismantles harmful purity culture teachings and charts a healthier grace filled path forward This book gives voice to those who have long wrestled with shame and silence and it offers a vision of sexuality that is life giving liberating and faithful Rev Brandan Robertson author of Queer Christian Reclaiming the Bible our Faith and our Place at the Table Eady Jay goes there She transparently and bravely deconstructs and breaks down the oppressive forces of puritanical culture that she was raised with and that are still embedded in mainstream culture today You may or may not agree with everything she has written but we are all better for it Why Because exploring the relationship between faith and sexuality serves to liberate us from centuries of our joy being suppressed and our sexuality being oppressed She writes with abundant grace keen insights and a clear heart for Christ aiming to reform our relationship with our bodies one another and God I have no doubt that her words will illuminate others on a similar journey

Chantal McKinney author of Following Jesus Beyond Church Walls This is a book I have always wanted to write and Eady Jay has done it better Gripping accessible and humble in its wrestling with the Scripture tradition and ordinary life her story welcomes readers across the spectrum of faith and sexuality to find inspiration challenge and even affirming echoes of their own experiences Vulnerability and courage write themselves across every page in the unanswered questions honest explorations and uncertain steps that define a journey we all face in learning how to more fully embody the truth we see about God in our diverse expressions of sexuality

Dr Kevin Jenson theologian and author of Sacred not Sinful A New Christian Ethic Reconstructing Sexual Ethics is a refreshingly frank yet deeply pastoral reimagining of Christian sexual ethics It affirms the essential dynamics of queerness gender equity and consent offering clarity and compassion for those seeking a more just and loving vision of sexuality Alongside other voices that deepen intersectionality and expand its scope it is an important and thought provoking resource that I highly recommend

Jamie Arpin Ricci founder of The Rainbow Well Eady Jay has given us something remarkable in Reconstructing Sexual Ethics With honesty and courage she speaks directly to those who have deconstructed some or all of their faith weaving together deeply personal stories with a thoughtful and robust theological vision The result is an invitation into a sexual ethic free from the harmful rhetoric of purity culture and grounded instead in freedom dignity and grace

The Present Truth and the LGBTQ+ Movement Nelson Mercado, 2024-10-15 The Present Truth refers to God's end time messages intended to prepare the world to meet Jesus These messages are found in Revelation 14 6 12 and are also known as the Three Angels Messages However as part of his deceptions Satan is seeking to distract and confuse the church by the LGBTQ ideology Today there are many voices in Christianity and in the Seventh day Adventist Church clamoring for the affirmation of the LGBTQ ideology and lifestyle Pastor Mercado believes that following the road of affirmation will lead to a loss of credibility and will dilute the end time messages of preparation Yet acknowledging that LGBTQ people are already in our churches he provides guidelines on how to treat them redemptively while not compromising biblical values
