**Changing Faces** Sean J. Marshall,2012-06-29 I came into this world Sean John Marshall I am twenty seven years old and was born and raised in Colorado Springs Colorado I am a fine artist author a proud father of one beautiful baby girl and an all around entrepreneur But all of my pursuits came to an abrupt halt when I was consumed by a life of crime For so long I became a part of a problem Growing up in and around the streets I ve caused much destruction in my lifetime I ve been a part of gang violence sold drugs and was involved in countless thefts and armed robberies Now my life s focus is to inspire teach uplift and mend I now use life s experiences to grow and learn I feel obligated to pass on all the insight and knowledge I ve obtained throughout the years to whoever I can By doing so people can learn from my mistakes and use me as an example because I ve seen darker truths that people need not witness themselves I ve walked rocky paths on which those can only stumble And if by sharing my views on paper and pouring my heart out through a pen can inspire or save just one life if by writing I can prevent someone from making some of the same mistakes I ve made I will have done my part I will have at least saved one soul from having to suffer the afflictions I ve faced And for that reason alone I write And for that reason alone I ll forever share my truths

**The Changing Faces of Ireland** Merike Darmody,Naomi Tyrrell,Steve Song,2011-10-22 Before the economic boom of the 1990s Ireland was known as a nation of emigrants The past fifteen years however have seen the transformation of Ireland from a country of net emigration to one of net immigration on a scale and at a pace unprecedented in comparative context As a result Irish society has become more diverse in terms of nationality language ethnicity and religious affiliation and these changes are now clearly reflected in the composition of both primary and secondary schools presenting these with challenges as well as opportunities Despite the increased number of ethnically diverse immigrant children and young people in the Ireland currently there is a paucity of information about aspects of their lives in Ireland This book is aimed at contributing to this gap in knowledge This edited collection will be of interest to researchers in the fields of migration studies childhood studies education studies human geography sociology applied social studies social work health studies and psychology It will also be a useful resource to educators social workers youth workers and community members working with or preparing to work with children with immigrant and ethnic minority backgrounds in Ireland
