Changing Of The Guard President Clinton And The Security Of Taiwan:

The Changing Of The Guard Martin L Lasater,2019-07-11 The increased military power of China since the close of the Cold War has forced the United States to reconsider its security policy toward Taiwan In this volume Martin Lasater explores the many new factors that are now influencing U S calculations of one of its more enduring and important security interests in Asia He considers such security concerns as the reduction of U S military forces in the western Pacific a new arms race in the Taiwan Strait Sino American tensions over human rights and arms proliferation issues increased calls for Taiwan s independence the Clinton administration s concentration on domestic issues and the shifting balance of power in the Asia Pacific especially the PRC s growing influence Considering the difficult issues President Clinton must weigh Lasater provides a timely analysis of Taiwan s security in the 1990s within the broader context of Sino American relations Taiwan's

Security in the Post-Deng Xiaoping Era Martin L. Lasater,Peter Kien-Hong Yu,2023-09-01 Originally published in 2000 Taiwan s Security in the Post Deng Xiaoping Era analyses the many domestic and international factors comprising Taiwan s security situation in the late 1990s and early 21st Century The security of Taiwan remains of international strategic concern and the military situation in the Taiwan Strait is increasingly volatile nearly 25 years after this book was first published This detailed study concludes that Taiwan s overall security will become increasingly dependent on external factors and that the most important contribution Taipei can make to its own security other than military preparation is political astuteness

Taiwan John F Copper,2018-05-04 In this newly revised and updated edition of Taiwan Nation State or Province John F Copper examines Taiwan s geography and history society and culture economy political system and foreign and security policies in the context of Taiwan s uncertain political status as either a sovereign nation or a province of the People s Republic of China Copper argues that Taiwan s very rapid and successful democratization suggests Taiwan should be independent and separate from China while economic links between Taiwan and China indicate the opposite New to the sixth edition is enhanced coverage of the issues of immigration the impact of having the world s lowest birthrate China s economic and military rise and America s decline Taiwan s relations with China the United States and Japan and the KMT s Nationalist Party return to power The new edition will also examine the implications of the 2012 presidential election A selected
