Changing Our Lives Lesbian Passions Politics Priorities:

Changing Our Lives Veronica Groocock,1995 The 1980s brought sweeping social and political changes among them Clause 28 and the AIDS crisis which for many women provided the catalyst to political action of a different kind and a re assessment of their personal perspectives particularly in respect to working with gay men The new queer politics of the 1990s and the rising profile of groups like the Lesbian Avengers represent a new era in lesbian politics Historical Dictionary of the Lesbian and Gay Liberation Movements JoAnne Myers,2013-09-19 Not so long ago hardly anything was said of the Lesbian Liberation Movement and the Gay Liberation Movement indeed the terms gay and lesbian were not even used if some other expression could be found Today by contrast hardly a day passes when something important does not occur and is carried by the major media and disseminated on more personal levels through blogs and the social media If anything there is perhaps too much news and not enough information Obviously a book like this cannot keep up with the news but it can do something equally important when it comes to information by reminding us of the past and what has been going and just how fast events are moving The Historical Dictionary of the Lesbian and Gay Liberation Movements covers the history of this movement through a cross referenced dictionary with over 1000 entries on specific countries and regions influential historical figures laws that criminalized same sex sexuality various historical terms that have been used to refer to aspects of same sex love and contemporary events and legal decisions Including a comprehensive chronology and bibliography this book is an excellent access point for students researchers and anyone interested in learning more about the struggle for equality Changing Our Lives Veronica Groocock,1995 The 1980s brought sweeping social and political changes among them Clause 28 and the AIDS crisis which for many women provided the catalyst to political action of a different kind and a re assessment of their personal perspectives particularly in respect to working with gay men The new queer politics of the 1990s and the rising profile of groups like the Lesbian Avengers represent a new era in lesbian politics **International Bibliography of Sociology 1995** ,1996 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences **Lesbian Lives** Nicky Hallet,1999 Examining cultural representations of lesbianism Hallet offers a fascinating exploration of identity sexuality and gender Women: Images & Realities, A Multicultural Anthology Amy Kesselman,Lily D McNair,Nancy Schniedewind,2008 This best selling anthology is a unique introduction to feminism and women s studies It presents a multidisciplinary collection of academic essays and analyses personal narratives and fiction and poetry about women s lives The selections illustrate the variety of women s experiences primarily in the United States considering both commonalities and differences among women and appreciating women s diverse approaches to living and fostering change Whitaker's Books in Print ,1998 **The British National Bibliography** Arthur James Wells,2002 Women Amy Vita Kesselman,Lily D. McNair,Nancy Schniedewind,1999 This multicultural anthology explores the

similarities and differences among women's experiences and the approaches women have used to change their lives Poems fiction diary entries and essays included illustrate personal experiences and issues in women's studies The reader's unique blend of academic and literary sections presents feminist issues in an accessible format for students

Donne difficili Helen Lewis, 2021-10-21T00:00:00+02:00 Se nel corso dei secoli le donne hanno acquisito diritti e consapevolezza il merito di alcune personalità complicate contraddittorie imperfette che hanno lottato con se stesse mentre lottavano per un mondo più giusto Pioniere dell'emancipazione e delle battaglie di genere figure fondamentali della nostra modernità che sono state spesso edulcorate o addirittura dimenticate nella nostra attuale ricerca di eroine gradevoli e rassicuranti Per la giornalista Helen Lewis ora di riguardare alla storia del femminismo come una storia di donne difficili al di là di ogni retorica Dalle suffragette che predicavano roghi e attentati alla principessa che si lamentava del sesso insoddisfacente dalla politica lesbica che scandalizzò un intero Paese alle coraggiose campagne per il diritto all'aborto Donne difficili getta luce su alcuni dei momenti decisivi e poco noti di una lotta sempre attuale Un avvincente persino scioccante racconto di tutti gli ostacoli che il movimento femminista ha saputo superare Perché per vincere una battaglia difficile sono necessarie protagoniste altrettanto difficili
