**The Making of A Man** Michael Norman,2017-11-02 In Genesis 1:26 God said Let us make man There are many opinions on who God was speaking to We must determine the following Is the Holy Spirit necessary in the making of a man Is the making of a man as defined by the scholars of Funk let us reason and think and look very close to formulate a conclusion looking at the results history now affords us Biblical principles aside most would agree man has the ability to apply the wisdom needed from the knowledge gained in his own little world or does he Although as a society we have chosen to throw the making of a man to the wind and a willingness to allow many to just fall by the wayside ignoring and changing the actual definition Can we now individually change our direction and set standards back in society Can we attain the biblical

understanding of a real man Let us take a close look at a couple of men one being this man called Jesus who was said to have been a perfect man Although his devotion and attentiveness as a man to deity was his focus making it difficult to separate the two it is his methods and actions his character and integrity his moral standards and judgments we will examine Our hope is to separate the man from his spiritual philosophy which is the inquiry into the most comprehensive principles of reality To do just that and gain the principles morals and character that defines the man Our focus will be on the man from the standpoint of a man as defined by man Our hope is to shed some light
