Chaim Soutine Catalog Lugano 1995:

Chaim Soutine Celeste Marcus, 2025-10-28 A revelatory biography of the Jewish expressionist painter that corrects the myths surrounding his work and proves his importance to the contemporary art world Every major modern art museum in the world has Chaim Soutine in its collection Yet a full biographical study of the artist and his work does not exist His paintings which are shocking grotesque difficult touching and brilliant were revered but misunderstood by his contemporaries who mistook him for an expressionist In Chaim Soutine Celeste Marcus offers a compelling history of the artist taking us from his early days in eastern Europe to his life in Paris among other artists such as Chagall and Modigliani to his death in France during the German invasion Marcus highlights how his Jewish identity dictated his dark fate even while he personally abandoned his heritage and she reveals the conditions in which he created his most intriguing paintings What emerges is a thorough examination of an artist who defied the conventional standards of beauty in the 1920s and 1930s and an immersive look into the expressionist movement that flourished during the interwar period and influenced the most popular artists of today

Art of the Twentieth Century: 1900-1919, the avant-garde movements Valerio Terraroli, 2006 This volume analyses and illustrates the personalities movements major figures and works that have given rise to contemporary art from Matisse to Picasso from Boccioni to Kirchner from Kandinsky to Malevich from De Chirico to Mondrian to Duchamp

An Expressionist in Paris Norman L. Kleeblatt, Chaim Soutine, Kenneth E. Silver, Romy Golan, Jewish Museum (New York, N.Y.), 1998 Chaim Soutine is a comprehensive ground breaking book that rediscovers this important artist providing an overview of his life work and aesthetic influence as well as his critical reception Essays by leading scholars and curators assess Soutine s art from new vantage points including the changing critical reception of his work in Paris between the wars as well as in the US and France in the aftermath of World War II and the Holocaust The essays also examine the influence of Soutine s Jewish and French immigrant background on his work and reception and introduce us to his important patrons and major collectors These included Albert Barnes the famous Philadelphia collector who discovered Soutine s work in 1922 23 and purchased 52 of his paintings
