Nikolajeva, 1995-06-13 The contributors to this collection of essays address children's literature as an art form rather than an educational instrument as has been the traditional approach Scholars from 10 different countries present a variety of approaches to the history of children's literature including views on sociological semiotic and intertextual models of its evolution Other issues explored include influence and interaction between stories and their countries of origin This strong presentation of international perspectives on children's literature will be a valuable resource for scholars of children's and comparative literature Challenging Change Biljana Mišić Ilić, Vesna Lopičić, 2012-04-25 This book *Challenging Change*

O'Brien, 1990 *For the Person Whose Study of Scripture is a Lifelong Commitment* For the one without formal training in biblical studies resolving questions and difficulties that arise while reading Scripture can be a discouraging task Without a

background in the culture language and history of the Bible the lay Bible student is often left to grasp for answers or trust what someone else has said or written as the correct interpretation of a particular problem Today s Handbook for Solving Bible Difficulties offers a refreshing solution While offering suggested answers to specific difficulties it goes a step beyond the usual approach and teaches readers reliable interpretive tools to use in their own reading of the Bible Author David O Brien encourages readers to more in depth personal Bible study and shows them how to do it In a very readable style the book divides Bible difficulties into categories to help Bible students understand problems with Apparent biblical contradictions in certain passages Language translation and figures of speech History criticism and transmission of the biblical text Cultural differences Creation Genesis and prophecy Ethics and lifestyle issues Controversial doctrinal issues

Lewis* Peter Milward, 1995 From the many sided genius of C S Lewis two main facets stand out The first is the creative imagination of the storyteller deriving from Teutonic and Classical sources The other is the sturdy rationalism and erudition of the medieval scholar Author Peter Milward emphasizes the latter in his latest book *A Challenge to C S Lewis* As a young Jesuit Milward was one of Lewis s students who heard the eminent medieval scholar draw upon the dim recesses of Northern learning and Greco Roman mythology to make his subject lucid for his listeners After himself becoming a professor at Sophia University in Tokyo Milward continued a dialogue with his former lecturer through a lengthy correspondence With this book Milward challenges some of the presuppositions of Lewis s scholarship With all the medievalist s talent as a scholar Milward maintains there remains the defect that as a Protestant with roots in Northern Ireland Lewis was unable to enter sympathetically into the Catholic mind of medieval Christendom According to Milward it is significant that in his lectures on Prolegomena to the Middle Ages Lewis laid more emphasis on the pagan elements in the medieval mind than on their more characteristic Christian elements as if the latter had no need of explanation to a modern audience Yet in his more popular and less academic writings as an apologist for the Christian faith Lewis assumed that the majority of his readers would be more or less ignorant of the teachings of Christianity Here the mere Christianity professed by Lewis was Milward argues in effect a Protestant side of Christianity placing him on the modern side of the Great Divide ushered in by Martin Luther for Europe and by Henry VIII for England Thus the author states there is a

deep contradiction at the heart of all Lewis's academic writings in that while Lewis set out to expose the medieval view of the world as in his words a discarded image he remained out of sympathy with that view in its basically religious features Milward therefore calls for more analysis of this contradiction in Lewis's writings in the form of a challenge to intellectual debate such as Lewis himself enjoyed so much in his Oxford days BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Challenges Thru Narnia** Edwina N. Olsen,1980 **Mythprint** ,1974 *Issues in African Christian Theology* Samuel Ngewa,Mark Shaw,Tite Tienou,1998 Christian theologians in Africa are faced with three conflicting worlds Christian faith African culture and modern culture In spite of the commitment of Christian theologians to live by biblical teaching there is a tendency for them to become involved with issues in their environments causing tension The salient issues confronting Christianity in Africa are examined from an evangelical standpoint Eighteen African scholars from Ethiopia Ghana Kenya Nigeria Tanzania together with colleagues from the US contribute perspectives grouped into four parts The Task of African Christian Theology The Foundations of African Christian Theology Christ and the Salvation in African Christian Theology and The Spirit the Church and the Future in African Christian Theology

Challenging the Gifted Corinne P. Clendening,Ruth Ann Davies,1983 Supplies guidance on the development of special educational programs for gifted children in grades kindergarten to twelfth grade *Cherishing and Challenging Your Children* Jody Capehart,1991 In *Cherishing and Challenging Your Children* Jody Capehart helps parents understand their children as the unique individuals God created them to be Includes tried and true tips on learning styles temperaments discipline communication self esteem and more **Talking Book Topics** ,2004 Includes audio versions and annual title author index **Using Literature to Help Troubled Teenagers Cope with Abuse Issues** Joan Kaywell,2004-08-30 This book deals with four types of abuse neglect emotional abuse physical abuse and sexual abuse For each type of abuse selected works of fiction literary and professional perspectives are juxtaposed along with applications for utilizing the stories in a hypothetical therapy setting In addition reports of mental health workers organizations agencies statistics cases studies and important research findings regarding each type of abuse are summarized Web links are provided as well as information on finding the professional print resources cited Suggestions for additional fiction suitable for bibliotherapy are provided This is an invaluable resource for teachers parents and any adults interested in helping teens battling with the damage of abuse

The Mathematical Toolbox Rosamond Welchman-Tischler,1992 Quality classroom proven hands on resources and instructional materials that assist teachers in elevating student learning **Psyche** ,1916 The Lion, the Witch, and the Bible Robert Velarde,2005 Despite the trend in the sales of movie tickets and books I have noticed there is a popular misconception concerning works such as the Chronicles Many have the idea that the books are only for children and that when one grows up such childrens books are no longer of value Those with this mindset believe that as people grow to adulthood they should move on to more important matters than the interests of childhood Among other things this means

leaving imaginative children's literature behind Lewis believed the contemporary distinctions between adult and children's books particularly the association of fantasy with children is artificial To think it proper only for children to read these kinds of books is a recent and false distinction according to Lewis He pointed out that most of the great fairy tales were not addressed to children specifically but to readers of all ages Walter Hooper observed that Lewis wrote fairy tales simply because he liked them himself and because he found them the best art form for what he had to say Consequently while most children thoroughly enjoy the Chronicles of Narnia there is much in them to be savored and pondered by adults *Church Challenge* Marvin D. Hinten, 1998 Who said Within 100 years of my death the Bible will be extinct For what instrument was Silent Night originally written What was the denominational affiliation of former president Richard Nixon If you knew the answers are 1 Voltaire 2 guitar and 3 Quaker you'll probably succeed at Church Challenge a multiple choice trivia tour of church history Even if you don't know all the answers Church Challenge is still a fun and fascinating trip through hundreds of years of religious history
