Colonialism-postcolonialism Ania Loomba, 1998 This accessible introduction explores the historical dimensions and theoretical concepts associated with colonial and post colonial studies Ania Loomba examines the key features of the ideologies and history of colonialism the relationship of colonial discourse to literature challenges to colonialism and recent developments in post colonial theories and histories in the writings of contemporary theorists including Edward Said Abdul JanMohamed Homi Bhabha and Gayatri Spivak Loomba also looks at how sexuality is insinuated in the texts of colonialism and how contemporary feminist ideas and concepts intersect with those of post colonialist thought Puerto Rico : a People Challenging Colonialism EPICA Task Force, 1976 *Challenge to Colonialism* Zarina Patel, 1997 Many in Kenya and outside have attempted to write or indeed un write the country s history Zarina Patel the subject s maternal granddaughter here rebuilds the story of Alibhai Mulla Jeevanjee the first non white in Kenya to be appointed to represent Indian interests in the Legislative Council Arguably under recognised by history Jeevanjee was an uncompromising advocate on behalf of his Indian constituency and opponent of the colonial state and culture Zarina Patel unearths the history of one of the country s political entrepreneurial and moral colossus In so doing she writes the story of the Indian people in the East African Protectorate Kenya at the turn of the twentieth century and of early resistance to colonial rule Her writing demonstrates the complicated but ultimately rich political and economic contribution of Asians to the multiracial land that became Kenya The account chronicles the life of Kenya s Grand Old Man his entrepreneurial ability and his business involvement with the imperial British It recounts how he built Nairobi and founded the East Africa Indian National Congress Jeevanjee s politics and beliefs led him to advocate non racialism and equal rights for all He interacted with African activists and African nationalist politics He played a decisive role in launching the first important non white media in the country the African Standard now the popular East African Standard **A City Consumed** Nancy Reynolds, 2012-07-11 Though now remembered as an act of anti colonial protest leading to the Egyptian military coup of 1952 the Cairo Fire that burned through downtown stores and businesses appeared to many at the time as an act of urban self destruction and national suicide The logic behind this latter view has now been largely lost Offering a revised history Nancy Reynolds looks to the decades leading up to the fire to show that the lines between foreign and native in city space and commercial merchandise were never so starkly drawn Consumer goods occupied an uneasy place on anti colonial agendas for decades in Egypt before the great Cairo Fire Nationalist leaders frequently railed against commerce as a form of colonial captivity yet simultaneously expanded local production and consumption to anchor a newly independent economy Close examination of struggles over dress and shopping reveals that nationhood coalesced informally from the conflicts and collaboration of consumers from below as well as more institutional and prescriptive mandates **The Colonial Shadow** Kira Celeste, 2023-02-24 The Colonial Shadow examines the colonial psychology that has shaped what is now known as Canada This psychology has perpetrated devastating harm over the last

half a millennium and continues to oppress Indigenous people and degrade the environment This book is inspired by the tenet of depth psychology that stories and myths from one's own ancestry can bring about transformation and deep changes in perspective As such it investigates how an alchemical way of imagining into white settler colonial consciousness might contribute to its accountability and psychological healing today *The Colonial Shadow* will be an invaluable resource for professionals academics and students of Jungian and post Jungian ideas settler colonial and First Nations studies sociology anthropology and cultural studies as well as for anyone interested in addressing the colonial complex *Komagata Maru, a Challenge to Colonialism* Guradewa Singha Siddhū,2005 [The Postcolonial Unconscious](#) Neil Lazarus,2011-06-30 *The Postcolonial Unconscious* is a major attempt to reconstruct the whole field of postcolonial studies In this magisterial and at times polemical study Neil Lazarus argues that the key critical concepts that form the very foundation of the field need to be re assessed and questioned Drawing on a vast range of literary sources Lazarus investigates works and authors from Latin America and the Caribbean Africa and the Arab world South Southeast and East Asia to reconsider them from a postcolonial perspective Alongside this he offers bold new readings of some of the most influential figures in the field Fredric Jameson Edward Said and Frantz Fanon A tour de force of postcolonial studies this book will set the agenda for the future probing how the field has come to develop in the directions it has and why and how it can grow further **"The Voice of Egypt"** Virginia Danielson,2008-11-10 Umm Kulthum the voice of Egypt was the most celebrated musical performer of the century in the Arab world More than twenty years after her death her devoted audience drawn from all strata of Arab society still numbers in the millions Thanks to her skillful and pioneering use of mass media her songs still permeate the international airwaves In the first English language biography of Umm Kulthum Virginia Danielson chronicles the life of a major musical figure and the confluence of artistry society and creativity that characterized her remarkable career Danielson examines the careful construction of Umm Kulthum's phenomenal popularity and success in a society that discouraged women from public performance From childhood her mentors honed her exceptional abilities to accord with Arab and Muslim practice and as her stature grew she remained attentive to her audience and the public reception of her work Ultimately she created from local precedents and traditions her own unique idiom and developed original song styles from both populist and neo classical inspirations These were enthusiastically received heralded as crowning examples of a new yet authentically Arab Egyptian culture Danielson shows how Umm Kulthum's music and public personality helped form popular culture and contributed to the broader artistic societal and political forces that surrounded her This richly descriptive account joins biography with social theory to explore the impact of the individual virtuoso on both music and society at large while telling the compelling story of one of the most famous musicians of all time She is born again every morning in the heart of 120 million beings In the East a day without Umm Kulthum would have no color Omar Sharif [Challenging Colonialism](#) Eric Davis,2014-07-14 Eric Davis challenges classic theories of dependency and imperialism and explains the history of the Bank Misr by

Ambivalent Anti-Colonialism Cary Fraser,1994-03-14 Until recently historians have defined the Commonwealth Caribbean territories by their relationship with Britian and have attributed little importance to American relations with these territories Fraser provides a reinterpretation of U S policy toward the West Indies since 1940 He establishes links between Afro West Indian groups and African Americans who successfully influenced both American and British policy in the West Indies Thus he explores a little understood and little studied aspect of American policy toward Britain s disengagement from empire after 1945 and the way decolonization in the Caribbean helped to shape the pattern and strategy of the Anglo American relationship from Roosevelt to Kennedy The book will force a rethinking of American policy toward the West Indies since 1940 the impact of race on American foreign policy and the historiography of inter American relations

The Racial Dimension of American Overseas Colonial Policy Hazel McFerson,1997-09-23 Beginning in 1898 the United States won overseas colonies as the spoils of the Spanish American War Puerto Rico the Philippines and Cuba Guam and Hawaii were also acquired in that year and in 1917 the Danish Antilles became the United States Virgin Islands The racial heritage of the territorial inhabitants paralld that of nonwhite groups in the United States Native Americans Africans Asians Hispanics and mixed race people The nonwhite race of domestic and overseas colonial people established important links between

American domestic racial policies and the racial policies and the racial dimension of American overseas colonies This book is about these links as shaped by the prevailing racial tradition and social structure in the United States itself Crucial to examining these links is the little known role of Booker T Washington in shaping American overseas colonial policy It is argued that following colonial acquisition at the turn of the century the American racial tradition was exported to overseas territories thereby largely determining colonial policy and administrative practices the nature of social and racial conflict and the direction and pace of political evolution in the territories
