Kameshwar C. Wali

Chandra A Biography:

Chandra Kameshwar C. Wali, 1990-12-15 Chandra is an intimate portrait of a highly private and brilliant man Subrahmanyan Chandrasekhar a Nobel laureate in physics who has been a major contributor to the theories of white dwarfs and black holes Wali has given us a magnificent portrait of Chandra full of life and color with a deep understanding of the three cultures Indian British and American in which Chandra was successively immersed I wish I had the job of reviewing this book for the New York Times rather than for Physics Today If the book is only read by physicists then Wali's devoted labors were in vain Freeman Dyson Physics Today An enthralling human document William McCrea Times Higher Education Supplement A dramatic exuberant biography of one of the century's great scientists Publishers Weekly **S**

Scientific Autobiography Kameshwar C. Wali, Subrahmanyan Chandrasekhar, 2010 S Chandrasekhar popularly known as Chandra was one of the foremost scientists of the 20th century The year 2010 marks the birth centenary of Chandra His unique style of research inward bound seeking a personal perspective to master a particular field and then pass on to another was so unique that it will draw considerable interest and attention among scholars As Chandra elucidates in the preface The various installments describe in detail the evolution of my scientific work during the past forty years and records each investigation describing the doubts and the successes the trials and the tribulations And the parts my various associates and assistants played in the completion of the different investigations are detailed It is indeed a remarkable and rare document fascinating to read and experience the joys frustrations and struggles of a creative mind In addition a compilation of selected correspondence which includes his correspondence with his father some family members and other well known scientists of the 20th century will provide an interesting insight into the life of an extraordinary scientist **S**

Chandrasekhar: The Man Behind The Legend Kameshwar C Wali, 1997-11-21 Subrahmanyan Chandrasekhar known simply as Chandra throughout the scientific world has become a legendary figure for his prolific contributions to physics astrophysics and applied mathematics Before his death in 1995 Chandra had forbidden a memorial of the conventional sort celebrating his life This book which contains some thirty articles by his former students his associates and his colleagues is in a sense a memorial volume It says little about Chandra's great scientific achievements but shows his human side and the various facets of his brilliant personality his incredible memory his wit and the breadth of his knowledge of art music literature and the humanities in general The contributors to this highly interesting book are among the few who broke the seemingly forbidden barrier surrounding the very private Chandra and came to know him well in one context or another They include Lalitha

Srinivasan,2000-05-15 From White Dwarfs to Black Holes chronicles the extraordinarily productive scientific career of Subrahmanyan Chandrasekhar one of the twentieth century s most distinguished astrophysicists Among Chandrasekhar s many discoveries were the critical mass that makes a star too massive to become a white dwarf and the mathematical theory of black holes In 1983 he shared the Nobel Prize for Physics for these and other achievements Over the course of more than six decades of active research Chandrasekhar investigated a dizzying array of subjects G Srinivasan notes in the preface to this book that the range of Chandra s contributions is so vast that no one person in the physics or astronomy community can undertake the task of commenting on his achievements Thus in this collection ten eminent scientists evaluate Chandrasekhar s contributions to their own fields of specialization Donald E Osterbrock closes the volume with a historical discussion of Chandrasekhar s interactions with graduate students during his more than quarter century at Yerkes Observatory Contributors are James Binney John L Friedman Norman R Lebovitz Donald E Osterbrock E N Parker Roger Penrose A R P Rau George B Rybicki E E Salpeter Bernard F Schutz and G Srinivasan *Vidyasagar* Brian A. Hatcher,2014-08-07 This book offers a new interpretation of the life and legacy of the Indian reformer and intellectual Ishvarchandra Vidyasagar 1820 91 Drawing upon autobiography biography secondary criticism and a range of Vidyasagar s original writings in Bengali the book interrogates the role of history memory and controversy and emphasises the key challenge of pinning down the identity of an enigmatic and multi faceted figure By examining lesser known works of Vidyasagar including several pseudonymous and posthumous works alongside the evidence of his public career the author calls attention to the colonial transformation of intellectual and social life the nature of life writing the limits of standard biographies and the problem of modern Indian identity as such Based on decades of research and an original perspective this book will be especially useful to scholars of modern Indian history biographical studies comparative literature and those interested in Bengal **A National Biography for India** Jyotis Chandra Das Gupta,1911 *Vernacular Medicine in Colonial India* Shinjini Das,2019-03-14 Interrelated histories of colonial medicine market and family reveal how Western homeopathy was translated and made vernacular in colonial India *Historical Dictionary of the Bengalis* Kunal Chakrabarti,Shubhra Chakrabarti,2013-08-22 The Bengali Bangla speaking people are located in the northeastern part of South Asia particularly in Bangladesh and two states of India West Bengal and Tripura There are almost 246 million Bengalis at present which makes them the fifth largest speech community in the world Despite political and social divisions they share a common literary and musical culture and several habits of daily existence which impart to them a distinct identity The Bengalis are known for their political consciousness and cultural accomplishments The Historical Dictionary of the Bengalis provides an overview of the Bengalis across the world from the

earliest Chalcolithic cultures to the present This is done through a chronology an introductory essay and an extensive bibliography The dictionary section has over 750 cross referenced dictionary entries on politicians educators and entrepreneurs leaders of religious and secular institutions writers painters actors and other cultural figures and more generally on the economy education political parties religions women and minorities literature art and architecture music cinema and other major sectors This book is an excellent access point for students researchers and anyone wanting to know more about the Bengalis

S Chandrasekhar - Selected Correspondence and Conversations of Lalitha and Chandra Kameshwar C. Wali,2020-02-06 The correspondence in Chandra s journals revealed in his own words the depth of his pursuit of science as well as his personal struggles and such material is significant for the public to have a deeper understanding of the man behind the legend The first part of the project was completed at the time of the Chandra birth centennial in 2010 with the publication of *A Scientific Autobiography Chandrasekhar* It provided a rare and personal insight into the joys and struggles of a brilliant scientist at work There remained yet a wealth of correspondence that shed significant insight into Chandra s life and this included the correspondence during his days as a student in India and Cambridge his trials and tribulations in the competitive world of British academia his travels to Russia and Germany and his unexpected encounter with Sir Arthur Eddington It also included selected correspondence and conversations with Lalitha his wife of over sixty years These letters and conversations with her reflect her own views of their life She a student of physics herself eventually gave up her own work in science to become an integral part of Chandra s life As Chandra wrote The full measure of of my indebtedness cannot really be recorded it is too deep and too all persuasive Let me then record simply that Lalitha was the motivating source and strength of my life

Chandra A Biography Introduction

In the digital age, access to information has become easier than ever before. The ability to download Chandra A Biography has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Chandra A Biography has opened up a world of possibilities. Downloading Chandra A Biography provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Chandra A Biography has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Chandra A Biography. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Chandra A Biography. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Chandra A Biography, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Chandra A Biography has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF

resources available and embark on a journey of continuous learning and intellectual growth.
