

A dirt road winds through a forest with trees in autumn colors. The road is the central focus, leading the eye into the distance. The trees on either side are in various shades of brown, orange, and yellow, suggesting a fall setting. The lighting is soft, and the overall mood is serene and contemplative.

One changed child eventually changes a family. A changed family will influence change in its church. Enough changed churches will transform a community. Changed communities change regions. Changed regions will in time change an entire nation.
